

CHAPTER 8: IRP TEMPORARY REGISTRATION AUTHORIZATION

8.000

Temporary Registration Authorization

New IRP fleet vehicles, or vehicles being added to an existing fleet, may be issued a temporary registration authorization only in the case of an emergency and or a department system problem and if all fees are paid. Refer to "Payment Options" in Chapter 7, Section 7.000.

8.005

Temporary Registration Authorization Form (Form MC.2126)

A temporary registration authorization is issued to a specific vehicle and cannot be transferred to another vehicle. Temporary registration authorizations may not be issued to accounts that are not in good standing. Temporary registration authorization may not be issued to renewal vehicles. Temporary Registration Authorization forms can only be obtained through the Department of Motor Vehicles IRP Headquarters.
