

Project Learning Tree Workshop

Project Learning Tree curriculum resources help educators teach complex environmental issues. They can be integrated into lesson plans for all grades and subject areas to help students learn how to make sound choices about the environment. PLT curriculum resources in the classrooms helps today's educators teach tomorrow's decision makers about the environment.

400 Blandly Farm Lane
Boyce, VA
22620
Fax: 540-837-1523
Phone: 540-837-1758 x 290

PLT education materials are designed to meet the common components of national education reform by using the constructivist approach to learning, whole language teaching, cooperative learning, problem solving, and authentic assessments. Materials are also correlated to state standards of learning.

Participants will receive:

- ¿ A PLT for Prek-8 Environmental Education Guide
- ¿ A certificate of participation stating your eligibility to receive 6 hours of recertification credit
- ¿ Ideas and techniques to use the Project Learning Tree guide with your students in and outside of the classroom

Date: Saturday, March 23, 2013 9 AM-3:30 PM

Location: State Arboretum of Virginia, Blandly Experimental Farm
