The State does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to omit portions of the work as may be deemed necessary or advisable by the State.
2. In the case of a discrepancy between the Unit Price (e.g., Hourly Rate, Cost per Service) and Item Total (e.g., Hourly Rate x Hours Worked = Item Total), the Unit Price shall prevail. However, if the Unit Price figure is ambiguous, illegible, uncertain, or is omitted, the Item Total shall be divided by the estimated usage (e.g., Hours Worked) to determine the Unit Price. In the case of a discrepancy between the Basis of Award and the sum of the Item Totals, the sum of the Item Totals shall prevail.
3. The amount of the total bid will be rounded up to the nearest whole dollar when the Agreement documents resulting from this bid are prepared.

All required documents listed in the Bid Submittal Checklist must be included within the sealed bid package. The State reserves the right to request clarification of any documents included with this bid.

The bid must be for the entire activity described herein. The State does not accept alternate contract language from a prospective Contractor. A bid with such language will be considered a counter proposal and will be rejected. Additionally, bids may be rejected if the bid proposal shows any alterations of form, additions not called for, a conditioned or incomplete bid, or erasures and/or irregularities of any kind. Any bid amounts changed after the amounts are originally inserted **MUST** be initialed in ink by the bidder.

Failure to submit required documentation may result in the rejection of your bid.

**VIII. NONRESPONSIBLE BIDDER**

If a previous Agreement with a prospective bidder was terminated for cause, the State reserves the right to hold a responsibility hearing before awarding the Agreement to determine if the bidder is responsible. The bid may be rejected if the State deems, at the conclusion of the responsibility hearing, that the bidder is not responsible.

**IX. BASIS FOR AWARD**

The award of an Agreement, if it is to be awarded, will be made to the lowest responsible bidder whose bid complies with all requirements prescribed herein. In the event a bidder submits more than one (1) bid for the same institution/service under this bid process, the State shall select the lowest bid and reject all other bids from this bidder.

In the event of tie bids, except as provided in Government Code §14838(f), CDCR reserves the right to determine the bidder entitled to the contract award based on the percent of discount specified in Exhibit B-1, if applicable. If not applicable or if there is a discount tie, a coin toss or lot drawing will be used to determine the bidder entitled to the contract award. The coin toss or lot drawing will be officially witnessed and all affected bidders will be advised of the tiebreaker method and invited to attend.

The State is not required to award an Agreement and reserves the right to reject any and all bids and to waive any immaterial deviations in the bid. The State's waiver of an immaterial deviation shall in no way modify the IFB document or excuse the bidder from full compliance with all requirements if awarded the Agreement.

#### **XI. GENERAL PREVAILING RATE OF WAGES**

In accordance with the provisions of Section 1774 of the California Labor Code, the Contractor and any subcontractors shall conform to the general prevailing rate of wages as determined by the Director of the Department of Industrial Relations. Copies of the wage rate determinations or any amendments thereto issued by the Director of the Department of Industrial Relations are on file with CDCR.

#### **XII. AGREEMENT EXECUTION**

The Agreement will be executed only upon the State's acceptance of the Contractor's certificates of insurance, bonds, licenses, and permits, when such items are required. Should the Contractor fail to commence work at the agreed-upon date and time, the State, upon five (5) days written notice to the Contractor, reserves the right to terminate the Agreement.

The successful bidder shall enter into an Agreement with the State, which will be prepared on a State of California Standard Agreement (STD 213 form, sample attached) and shall include from this IFB Exhibits A, A-1, B, B-1, and D.

This Agreement will not include a hard copy of the General Terms and Conditions for Private Contractors (Exhibit C), which is incorporated into the Agreement by reference only on the STD 213. Also not provided is a hard copy of the Contractor Certification Clauses (CCC). Exhibit C and the CCC may be downloaded from the Internet at [www.ols.dgs.ca.gov/standard+language](http://www.ols.dgs.ca.gov/standard+language) and printed for your files. An original, signed copy of all pages of the CCC must be submitted to CDCR. Failure to submit a signed CCC may result in rejection of your bid.

After award, two (2) original Standard Agreements will be forwarded to the Contractor for signature. Upon receipt, the Contractor must sign each Agreement with an original signature and return all Agreements with any required documentation in accordance with the time frame specified in the transmittal letter. In the event the State has not received the signed Agreements and the required documentation within the specified time frame, the award may be rescinded and awarded to the next lowest responsible bidder.

This Agreement is not valid unless and until approved by the Department of General Services, or, under its authority CDCR. The State has no legal obligation unless and

until the Agreement is approved. Any work commenced by the Contractor prior to approval may be considered voluntary and the Contractor may have to pursue claim for payment by filing with the California Victim Compensation and Government Claims Board. When the Agreement is fully approved, a copy will be forwarded to you.

### **XIII. EXTENSION OF TERM**

This Agreement may be amended to extend the term, up to 12 months, if it is determined to be in the best interest of the State. Upon signing the amendment, Contractor hereby agrees to provide services for the extended period at the rates specified in the original Agreement.

### **XIV. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PROGRAM**

This IFB is exempt from the DVBE requirement. However, the State is committed to achieving legislatively established goals for the participation of DVBEs in all state contracting and seeks to use certified DVBE business whenever possible. Therefore, the State requests your voluntary participation in reporting any certified DVBEs, including yourself, that will be used in the performance of this Agreement.

### **XV. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) INCENTIVE**

CDCR is committed to meeting and exceeding the 3 percent goal for Disabled Veteran Business Enterprise (DVBE) participation in State contracting activities, set forth in Military and Veterans Code 999. The DVBE Incentive Program applies to all contracting activities for services including public works, construction, services, leasing, materials testing, and other related contracts. The DVBE incentive is applied during the evaluation process and is only applied to responsive bids from responsible bidders proposing DVBE participation. This incentive is for bid computation only.

To be eligible for the DVBE incentive, the business must:

1. Complete DVBE Incentive Request and Subcontractor Acknowledgement form (OBS 554) and submit with bid proposal.
2. Have a completed DVBE application on file with DGS, OSDS by 5:00 p.m. on the date bids are due.

For certification and preference approval process information, contact the DGS OSDS by telephone at (916) 375-4940 or access the DGS OSDS Internet website at <http://www.pd.dgs.ca.gov/dvbe/default.htm>

#### **Award Based on Low Price**

The incentive shall be equal to a bidder's DVBE participation level (rounded to the nearest two decimal places).

<b>DVBE PARTICIPATION LEVEL</b>	<b>INCENTIVE APPLIED</b>
1.0 - 1.99%	1%
2.0 UP TO 2.99%	2%
3.0 UP TO 3.99%	3%
4.0 UP TO 4.99%	4%
5.0 UP TO 5.99%	5%

1. The incentive is subject to a minimum of one percent (1%) and a maximum of five percent (5%) and will not exceed \$500,000. Bids with DVBE participation of more than five (5%) percent will be calculated with a five percent (5%) incentive.
2. Bidders with DVBE participation of less than the required percentage listed in the solicitation will be deemed non-responsive and eliminated from any further participation.
3. The Small Business Preference (five percent (5%) up to \$50,000) may be combined with the DVBE incentive but will not exceed a combined total of \$500,000.
4. The DVBE incentive is computed from the lowest responsive and responsible bid price.

#### **XVI. SMALL BUSINESS PREFERENCE PROGRAM**

Current law encourages state departments to first consider a Small Business (S/B) Enterprise / Microbusiness (M/B) Enterprise for contracting opportunities. CDCR is committed to supporting Small/Micro Business participation in state contracting and seeks to use certified Small/Micro Businesses whenever possible.

A Small/Micro Business enterprise is defined as a business certified by the Department of General Services (DGS), Office of Small Business and Disabled Veteran Business Enterprise Certification Services (OSDS) in which:

1. The principal office is located in California
2. The officers are domiciled in California
3. The business is independently owned and operated
4. The business, with any affiliates, is not dominant in its field of operation; and
  - a. For Small Business, either:
    - (1) The business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of \$14,000,000 or less over the previous three years, or
    - (2) The business is a manufacturer with 100 or fewer employees
  - b. For Micro Business, either:
    - (1) The business, together with any affiliates, has 25 or fewer employees and averaged annual gross receipts of \$3,500,000 or less over the previous three years, or
    - (2) The business is a manufacturer with 25 or fewer employees.

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to bidders who certify as a Small/Micro Business enterprise. The rules and regulations of this law are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulation is available upon request.

To claim the Small/Micro Business preference, which may not exceed \$50,000 for any bid, your firm must:

1. Have a completed application (including proof of annual receipts) on file with the DGS, OSDS, by 5:00 p.m. on the date bids are due, and
2. Receipt of documents verified by such office.

Therefore, if you are a Small/Micro Business, but are not certified, it is to your advantage to become certified. For certification and preference approval process information, contact the OSDS by telephone at (916) 375-4940 or access the OSDS Internet website at [www.pd.dgs.ca.gov/smbus/getcertified.htm](http://www.pd.dgs.ca.gov/smbus/getcertified.htm).

#### **XVII. NON-SMALL BUSINESS PREFERENCE REQUEST**

Pursuant to Title 2, CCR Section § 1896, et seq., and GC Section § 14838, et seq., a bid preference of five percent (5%) is available to a responsive non-small business claiming no less than twenty-five percent (25%), Small Business/Micro Business (SB/MB) subcontractor participation with one or more SB/MB enterprises. This preference is considered only if the tentative low bidder is not a certified SB/MB.

In granting the Non-Small Business Preference, no bid price will be reduced by more than \$50,000. This preference cost adjustment is for bid evaluation purposes only and does not alter the actual cost offered by the bidder.

A non-small business is defined as a responsive/responsible bidder that is not certified by the DGS OSDS as a SB/MB enterprise.

To be eligible for the non-small business preference, the business prime vendor must complete and submit the Non-Small Business Preference Request and Subcontractor Acknowledgement form (OBS 555) with their bid proposal.

#### **XVIII. NONPROFIT VETERAN SERVICE AGENCY (NVSA) SMALL BUSINESS PREFERENCE**

Pursuant to Military and Veteran Code Section 999.50 et seq., Nonprofit Veteran Service Agencies (NVSAs) claiming Small/Micro Business preference and verified as such in the relevant category or business type, will be granted a preference of five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a Small/Micro Business.

In granting Small/Micro Business preference to NVSAs, no bid will be reduced by more than \$50,000. The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

To be eligible for the NVSA Small/Micro Business Preference, the business concern must:

1. request preference at the time of bid submission, and
2. must possess a valid certification prior to bid submission.

An SB/NVSA is not subject to the same standards as other certified Small/Micro businesses. SB/NVSA standards are identified in Military and Veterans Code Section 999.51(a) (3).

#### **XIX. IDENTIFICATION OF CONTRACTORS, SUBCONTRACTORS, CONSULTANTS: SMALL/MICRO BUSINESS AND DVBS**

CDCR must identify all contractors, subcontractors, and consultants who will provide labor or render services in the performance of this Agreement and further identify

whether any of the listed subcontractors and consultants are a certified Small/Micro business, or a certified DVBE. Therefore, the bidder must complete a Bidder Declaration (GSPD-05-105). If any changes occur in the submitted original GSPD-05-105, the Contractor shall notify the Office of Business Services (OBS), in writing within ten (10) working days of those changes, including any changes to Small/Micro business or DVBE status.

CDCR asks that you encourage any subcontractor(s) and/or consultant(s) not currently certified as a Small/Micro business or DVBE that may meet the certification requirements specified herein to become certified through the DGS, OSDS. Please provide those subcontractor(s)/consultant(s) the OSDS contact and certification information provided above.

If you are a certified Small/Micro business enterprise and fail to complete the Prime Contractor information of the CDCR Bidder Acknowledgement/Certification form (OBS 300), your business shall be classified as a large business, which will preclude your bid from receiving the five percent (5%) Small/Micro business preference and can cause incorrect reporting of Small/Micro business and large business participation by CDCR.

If you are a certified DVBE and fail to specify that information on the CDCR Bidder Acknowledgement/Certification form, (OBS 300) your business shall be classified as a large business, which will preclude your bid from receiving any range of the DVBE incentive and cause incorrect reporting of DVBE participation by CDCR.

**XX. BIDDER PROVIDING FACILITY(IES)**

Bidders providing facility(ies) for their services must specify the complete address(es) of the facility(ies) where the services will be performed in the appropriate section on the Bidder Acknowledgement/Certification form (OBS 300) in the spaces provided.

The bidder hereby authorizes the State to insert the bidder's facility(ies) as listed in the CDCR Bidder Acknowledgement/Certification form (OBS 300) into the contract Exhibit A Scope of Work.

To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that

subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractor are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of cancellation or non-renewal of insurance required by the contract. ## **DOING BUSINESS WITH THE STATE OF CALIFORNIA**

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

- 1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

7. AIR OR WATER POLLUTION VIOLATION: Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

**PAYEE DATA RECORD**

STD. 204 (Rev. 6-2003) (REVERSE)

1	<p><b><u>Requirement to Complete Payee Data Record, STD. 204</u></b></p> <p>A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.</p> <p>Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.</p>								
2	<p>Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.</p>								
3	<p>Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p> <p>The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).</p>								
4	<p><b><u>Are you a California resident or nonresident?</u></b></p> <p>A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.</p> <p>A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.</p> <p>For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are \$1,500 or less for the calendar year.</p> <p>For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below:</p> <table border="0"> <tr> <td>Withholding Services and Compliance Section:</td> <td>1-888-792-4900</td> <td>E-mail address:</td> <td>wscs.gen@ftb.ca.gov</td> </tr> <tr> <td>For hearing impaired with TDD, call:</td> <td>1-800-822-6268</td> <td>Website:</td> <td>www.ftb.ca.gov</td> </tr> </table>	Withholding Services and Compliance Section:	1-888-792-4900	E-mail address:	wscs.gen@ftb.ca.gov	For hearing impaired with TDD, call:	1-800-822-6268	Website:	www.ftb.ca.gov

## BIDDER DECLARATION Instructions

### All prime bidders (the firm submitting the bid) must complete the Bidder Declaration.

**1.a.** Identify all current certifications issued by the State of California. If the prime bidder has no California certification(s), check the line labeled “None” and proceed to Item #2. If the prime bidder possesses one or more of the following certifications, enter the applicable certification(s) on the line:

- Microbusiness (MB)
- Small Business (SB)
- Nonprofit Veteran Service Agency (NVSA)
- Disabled Veteran Business Enterprise (DVBE)

**1.b.** Mark either “Yes” or “No” to identify whether subcontractors will be used for the contract. If the response is “No,” proceed to Item #1.c. If “Yes,” enter on the line the distinct element of work contained in the contract to be performed or the goods to be provided by the prime bidder. Do not include goods or services to be provided by subcontractors.

Bidders certified as MB, SB, NVSA, and/or DVBE must provide a commercially useful function as defined in Military and Veterans Code Section 999 for DVBEs and Government Code Section 14837(d)(4)(A) for small/microbusinesses.

Bids must propose that certified bidders provide a commercially useful function for the resulting contract or the bid will be deemed non-responsive and rejected by the State. For questions regarding the solicitation, contact the procurement official identified in the solicitation.

**Note: A subcontractor is any person, firm, corporation, or organization contracting to perform part of the prime’s contract.**

**1.c.** This item is only to be completed by businesses certified by California as a DVBE.

(1) Declare whether the prime bidder is a broker or agent by marking either “Yes” or “No.” The Military and Veterans Code Section 999.2 (b) defines “broker” or “agent” as a certified DVBE contractor or subcontractor that does not have title, possession, control, and risk of loss of materials, supplies, services, or equipment provided to an awarding department, unless one or more of the disabled veteran owners has at least 51-percent ownership of the quantity and value of the materials, supplies, services, and of each piece of equipment provided under the contract.

(2) If bidding rental equipment, mark either “Yes” or “No” to identify if the prime bidder owns at least 51% of the equipment provided (quantity and value). If **not** bidding rental equipment, mark “N/A” for “not applicable.”

**2.** If no subcontractors are proposed, do not complete the table. Read the certification at the bottom of the form and complete “Page \_\_\_\_ of \_\_\_\_” on the form.

If subcontractors will be used, complete the table listing all subcontractors. If necessary, attach additional pages and complete the “Page \_\_\_\_ of \_\_\_\_” accordingly.
