

Ghilotti Construction Company DMV Employer Pull Notice Program

Ghilotti Construction Company utilizes the DMV Employer Pull Notice Program, which affects all employees. The DMV's Employer Notice Program has been set up to provide employers and regulatory agencies with a means of promoting safe driving through the review of individual driving records. When the pull notice status is placed on the driver record, Ghilotti Construction Company will receive:

A copy of the employee's current driver record, and
Notice of any of the following actions:

- Failure to appear
- Failure to pay a fine
- Accident
- Traffic convictions
- Any suspension or revocation

This policy is company wide. Please provide the following information. Should you have any questions, please contact Damon Calegari or your direct supervisor.
