

Internship Host-Site Request Form

Please complete one form for each internship position.

Date of request: May 25, 2012

Institution: White River Valley Museum

What is the desired time frame?: June 15 through August 26, 2012, approximately 10 hours a week, some weekend hours desired

Quarter(s) requested: ☐ Autumn ☐ Winter ☐ Spring ☒ Summer

Intern Title and Brief Description of responsibilities: Summer Programs Intern

The Summer Program Intern will split time between the historic Mary Olson Farm and the White River Valley Museum both located in Auburn. Duties include interpreting the Farm to the public and assisting with Museum education programs. Such programs include a Living History Summer Camp at the Mary Olson Farm, Junior Curator's Summer Camp at the Museum and Hooked on History family programs. Hours are negotiable, an intern may be selected to work only a portion of the summer program if so desired.

Particular skills and knowledge required or preferred for internship:

The selected applicant will have an interest in providing dynamic family education experiences within award-winning exhibits and at an award-winning landmark historic farm. Applicant will gain experience in interactive learning techniques, visual thinking and questioning strategies, group control, and broadening their experience working with professional museum staff members. Those interested in gardening, livestock, hand crafts, outdoor education, and service to a low income community may find this especially rewarding. Interested? Check out our website: wrvmuseum.org.

Is this internship paid?: ☐ Yes ☒ No

List salary or stipend if applicable: An honorarium of \$250 may be provided based upon performance.
