

Instructions for Form 480
(Application For Remote Area Driver License, Permit or ID Card)

In order to be accepted by the Division of Motor Vehicles (DMV), Form 480 must be printed on one piece of paper. As the form is two pages, this means that you must print page 1 and then print page 2 on the back of the same piece of paper.

When you are ready to print, make sure your cursor is on the first page of the form. Click on the following:

- ✓ File
- ✓ Print
- ✓ Current Page
- ✓ OK

After the page is printed, make sure your cursor is on the second page of the form. Repeat the instructions above.
