

Group Name: _____ Group Member Being Evaluated (Please print clearly): _____

Names of all Group Members (Please print):

Signatures of group members:

Check the criteria that best describes this teammate. I do not expect anyone to get all "great" scores. "The project is the team learning quizzes and your efforts at learning together as a group.

Unacceptable

OK

Good

Great

1. Effort (worked hard):

Contributed very little to the project

Pulled own weight but nothing more.

Was important to the project.

Project would not have gotten done without them.

2. Teamwork (did their share):

Did not seem to care about helping the group function well.

At times, seemed concerned about working with the group.

Usually concerned about the group. Generally accommodating.

Always had the best interests of the group at heart.

3. Ideas (contributed a vision):

Didn't offer much

Had some good ideas.

Had many good ideas.

Many great ideas

4. Communication (shared the vision):

Impossible to communicate with effectively.

Made some effort to communicate effectively.

Good communicator. Respectful and tolerant.

Listened carefully and communicated well.

5. Scheduling and Attendance (showed up):

Was not around much. Made little effort to accommodate group needs.

Tried to accommodate group and attend meeting but with limited success.

Made an effort to accommodate group. Showed up most of the time, pretty reliable.

Bent over backward to help group meet. Very reliable

On the back of the sheet, please make any comments you think are necessary for me to understand your evaluation of this student. Identify areas of success and areas for improvement.
