

Blue Cross of California SmartValue Individual Enrollment Form — 2008

This Plan is a Medicare Advantage Private Fee-for-Service Plan.

Note: A Medicare Advantage Private Fee-for-Service (PFFS) plan works differently than Medicare Supplement plans. This PFFS plan does not have an established network of providers. Your doctors, hospitals and other providers of care must tell you they agree to accept the plan's terms and conditions prior to providing you with health care services — with the exception of emergencies. If your doctors, hospitals and other providers of care do not agree to accept our payment terms and conditions, they may not provide you with health care services, except in emergencies. Providers can find the plan's terms and conditions on our web site at www.bluecrossca.com.

If you are enrolling in a plan with a monthly premium, how would you like to pay future plan premiums? You can pay your monthly plan premium by mail or by automatic checking account deduction. You might also be able to pay your premium by automatic deduction from your Social Security Check each month (see below). Note: If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or some									
portion of your plan premium. However, because you might be responsible for paying part of your premium, you still must choose a premium payment option. We must receive payment for the amount that Medicare does not cover.									
Please choose one of the payment options below: (If no option is chosen, you will receive a monthly bill for amount due.)									
☐ Send me a bill each month.									
□ Deduct my premium from my checking account each month. (Depending on when you apply, more than one month's premium might be deducted for your first payment.) Please enclose a VOIDED check or provide the following information: Account-Holder's Name: Bank Routing Number: (The routing number is the first nine digits printed on the lower left corner of your check.) Checking Account Number:									
Deduct my premium from my SSA benefit check each month. (If you choose this option, your monthly SSA check should be at least 3 times your monthly premium, because the SSA deduction may take two or more months to begin. So, the first deduction from your SSA benefit check may be for 2 or 3 months — from your effective date to the date withholding begins.)

Section 8: Application Agreement *Important:* Read this information before signing in Section 9 below.

By completing this enrollment application, I agree to the following:

The plan I am applying for is a Medicare Advantage Private-Fee-For-Service (PFFS) plan and I will need to keep my Medicare Parts A and B. I can only be in one Medicare Advantage plan at a time. I am responsible for informing you of any prescription drug coverage that I have or may get in the future. If I am not applying for a PFFS plan with prescription drug coverage or another Medicare prescription drug coverage plan and I do not have other creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. I may leave this plan only at certain times of the year, or under special circumstances, by sending a request to Blue Cross of California (BCC) or by calling 1-800-MEDICARE. TTY/TDD users should call 1-877-486-2048. These numbers are available 24 hours a day, 7 days a week.

The plan for which I am applying serves a specific service area. If I move out of the area that this plan serves, I need to notify BCC so I can disenroll and find a new plan in my new area. Once I am a member of this plan, I have the right to appeal plan decisions about payment or services if I disagree. I agree that the Evidence of Coverage (EOC) document governs the rules that I must follow to receive coverage in this Medicare Advantage Plan. When I receive the EOC document from BCC, I will read it so I know the rules to follow. I understand that Medicare beneficiaries are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border. I understand that any person who, with intent to defraud or knowing that he/she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement, is guilty of insurance fraud.

Release of Information: By joining this Medicare Advantage plan, I acknowledge that the health plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that the plan will release my information, including my prescription drug information, if applicable, to Medicare, who may release it for research and other purposes that follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan. **Note:** Failure to agree with all of the terms and conditions in the Release of Information statement above will result in a denial of your enrollment due to an inability to provide benefits and process claims.

Section 9: Signatures

I understand that my signature below (or the signature of the person authorized to act on my behalf under the laws of the State where I reside) means that I have read and understand the contents of this form. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under State law to complete this form and 2) documentation of this authority is available upon request by BCC or by Medicare.
