Short Answer

If you had to highlight three aspects of Baldwin Wallace University, what would you choose and why?

Why do you want to become a Student Ambassador?

What strengths and qualities do you have that will benefit the Student Ambassadors program?

What qualities are you working on to improve in yourself?

Through your personal experience, how has your definition of diversity developed?

Are there any other accomplishments, achievements or leadership activities *outside* of BW that you are excited to share with us?

Please list all organizations (Greek, clubs, athletics and honoraries) in which you are currently active. Check whether you serve as a member and/or officer.
