How does the Cache to Eagle® program help share our Scouting service with the public?

-OR- Create a Scouting-related Travel Bug® that promotes one of the values of Scouting.

"Release" your Travel Bug into a public geocache and, with your parent's permission, monitor its progress at www.geocaching.com for 30 days. Keep a log, and share this with your counselor at the end of the 30-day period.

OR- Set up and hide a public geocache, following the guidelines in the Geocaching merit badge pamphlet. Before doing so, share with your counselor a six-month maintenance plan for the geocache where you are personally responsible for the first three months.

After setting up the geocache, with your parent's permission, follow the logs online for 30 days and share them with your counselor.

-OR- What does Cache In Trash Out (CITO) means?

How have you practiced CITO at public geocaches or at a CITO event?

Either create CITO containers to leave at public caches, or host a CITO event for your unit or for the public.

Requirement 9
