

MAJOR CLEARANCE FORM

Bachelor of Science in Applied Computer Graphics Technical Option with Art Studio Program

Name: Student ID #:
first middle last

Permanent address:

Planned semester & year of graduation: *select semester* ☐ Fall ☐ Spring ☐ Summer ☐ *enter year*

Purpose: The courses listed are the minimum required for this major. This form is used to verify when you have completed major requirements and, when all other University requirements are met (a minimum aggregate of 120 semester units, general education, etc.) you will be cleared to graduate. Please submit this form during the semester prior to your final year of coursework.

Instructions: Enter the requested information for all coursework listed (past, current, and planned), including the courses you will use as electives in the major. For past courses, enter the grades received; otherwise, leave the grade blank. If your plans change from what you list, these changes must be recorded using a Change Form available in the department office. Your entries must agree exactly with your academic record. All yellow entries are required; all other entries are only needed where applicable. Headings with yellow flags contain notes that provide additional information regarding certain entries (also listed on page 2 of form). Complete both pages and print at least two copies for signatures.
