

NSW Branch Presidents' Dinner and 'Insight Radical' Event

– through support of the ARC Centre for Excellence for Free Radical Chemistry & Biotechnology and generous sponsorship of

JOHN NEWELL MAZDA

Grand Pittwater Function Centre
25/41 Magdala Rd (cnr Pittwater Rd), North Ryde 2113

6.00 pm for 6.30 pm, Wednesday 19 March 2014

SPECIAL INVITATION

– Non-members \$100 ph; RACI Members & partners \$80 ph

(including 3 course meal and standard drinks)

Members, partners and guests are cordially invited to attend

A night of celebration at which we will mark the achievements of members through awards and, on this occasion, hear about the innovative 'Insight Radical' project from Dr Renee Beale, Community Awareness Programme Manager, ARC Centre of Excellence for Free Radical Chemistry and Biotechnology, Melbourne.

THE PROJECT – INSIGHT RADICAL

This innovative and creative project has involved the participation of six contemporary Australian artists, Tony Lloyd, Steve Lopez, Anna Madeleine, Natalie O'Connor, Peter Sharp, and Ruth Waller, and nine practising chemists at the University of Melbourne, where the artists were installed as 'Artists in Residence' within the ARC Centre of Excellence for Free Radical Chemistry and Biotechnology. During this time the artists interacted with scientists in their laboratory environment and discussed important aspects of free radicals with key research staff and students.

The project has led to the creation of interpretative works that make up the INSIGHT RADICAL Exhibition, www.insightradical.org. The INSIGHT RADICAL Exhibition has visited the Griffin Gallery in London, the RAFT Gallery in Alice Springs, the MCLEMOI Gallery in Chippendale, Sydney, and is currently on show at the FutureSpace Gallery, Adelaide, as part of the Adelaide Fringe Festival.

Thanks to the generous support of John Newell Mazda, Alexandria, we have been able to invite Natalie O'Connor, one of the project artists, to give her perspective on the experience and explain the background to her artworks. This will be an informative night of networking, fine dining and relaxed social interaction that I am sure you will enjoy. **I do hope you will join us.**

Please complete the attached booking form and send to Ms Lindy Chew, RACI Coordinator, NSW Branch Office, School of Chemistry, UNSW Sydney NSW 2052, raci-nsw@raci.org.au OR register on-line at www.raci.org.au/events/event/nsw-presidents-dinner .

RSVP 28 February 2014

Come & visit at 94-98 O'Riordan Street Alexandria.

John Newell Mazda, the largest undercover Mazda dealership in the Southern Hemisphere and proudly family owned.

The NSW Branch President cordially invites you to
the 2014 Annual RACI NSW Branch Presidents' Dinner and Awards Night

Guest speaker: Dr Renee Beale, Coordinator of 'Insight Radical'

Insight Radical has been a collaborative project between free radical chemists in Melbourne and contemporary Australian artists. It has resulted in an innovative Exhibition that has had showings in The Griffin Gallery, London, RAFT Gallery, Alice Springs, McLEMOI Gallery, Sydney, and now FutureSpace Gallery, Adelaide.
