

Trails For Tomorrow

THE PENNSYLVANIA EQUINE COUNCIL
PRESENTS A

1-DAY TRAIL STEWARDSHIP WORKSHOP

Saturday, February 20, 2016

8:00 AM – 4:30 PM

7:45 registration

**Held at the Pennypacker Mills Classroom
5 Haldeman Road, Schwenksville, PA 19473**

WHY: Pennsylvania State land management agencies have contacted the PA Equine Council requesting assistance in maintaining non-motorized shared-use trails. These agencies are reluctant to accept volunteers who have not had education. With our assistance, trails and access to our trails can be developed and maintained. Without our assistance, trails and access may be severely restricted or possibly eliminated. There are so many beautiful parks in Southeast Pa. that need our involvement to help keep these trails open! Your participation is needed!

WHO SHOULD ATTEND: All outdoor enthusiasts (particularly hikers, mountain-bikers and equestrians) concerned about the future of recreational access to public lands.

WORKSHOP CONTENT: Classroom instruction on trail layout, construction and maintenance; tool selection/use; information on different public land agencies and an introduction to *Leave No Trace Skills & the Ride Smart Concept*.

COST: FREE! Coffee and donuts will be provided. Please bring your own lunch.

LOCATION: The “Classroom” is located behind the HISTORIC PENNYPACKER MILLS Mansion.

PROVIDED BY: The Montgomery County Division of Parks, Trails and Historic Sites

DIRECTIONS: Haldeman Road is off of Skippack Pike (Rt. 73) in Schwenksville. (MapQuest)
