Best way to contact :

Do you wish to participate in regions and state tournament?

If you are 13/14 do you wish to play up on the 15/16 team as needed? Keep in mind, playing time will go to the 15-16 year olds first.

Do you wish to help/volunteer? Stats, press box (scoreboard, announcing, driving, practicing, etc)

I understand the Lake Norden baseball summer program for teeners is a fun program to play baseball in the summer, and while the goal is obviously to win the games/tournaments, the ultimate goal is to have a great time and play some baseball with friends, and we are not the team to join if you wish to do the larger

tournaments - etc. We will not be going out of state- and state tournament is up to the players/parents if we register or not. The registration has to be set in stone by June 10th this year- so we would need to decide that in May. Varsity State (15/16) will be in Kimball/White Lake on August 5-7th. JV (13/14) will be held in Platte on July 22-24th. The coaching staff is yet to be fully determined, however Jason Uecker is taking the position for teeners along with other volunteer coaches. We will have a couple practices per week, largely dependent on the players other schedules, football, basketball, work...etc. We understand that life happens, and will try to work around any vacation schedules, and other sport schedules. Practices are considered mandatory, however, if you cannot make it, let us know via text and we will work it out. You won't be penalized, however if there is a need to play up, the person who has attended the most practices and put in the most time will be considered first.

Yes, I agree

I will send a copy of the players birth certificate- text or email to Bobbi Uecker. [bobbi.uecker@k12.sd.us](mailto:bobbi.uecker@k12.sd.us) or 605-201-4839

Yes

I am the (Mother, Father, Legal Guardian) of \_\_\_\_\_ who participates in Lake Norden Teener baseball. I hereby connect to any medical services that may be required while said child is under the supervision of a coach while on a baseball activity and hereby appoint said coach to act on my behalf in securing necessary medical services from any duly licensed medical provider. (Note- all means of communication will be made to parents first- and on a continuing basis until notified.)
