SECTION II**Application Essays**

Because of our small size, our commitment to a high degree of student-teacher contact, and the teamwork required by many projects, we need to assess an applicant's personal qualities as well as motives, skills, and experience. We need to know a "fit" exists between an applicant's intentions and abilities and what Conway offers and requires. We especially seek students with generalist, not merely vocational, interests. Your answers to the following questions will help us in discovering who you are and whether we can serve you. At the same time, this application will remind you that Conway's program includes a considerable amount of writing. The essay pages you attach to the application form will be given careful consideration.

1. Educational Review	Describe briefly the most beneficial and most harmful aspects of your education thus far. How do you learn best?
2. Work Experience	Describe briefly your work and relevant life experience, including major responsibilities and learning.
3. Interests/Individual Study	Describe hobbies, avocational interests, and programs of individual study you have pursued, including any self-development workshops, courses, or programs. Include a selected general reading list of the last two years.
4. Self-Assessment	How do you see yourself as a person? Describe briefly your strengths, weaknesses, and the significant turning points or periods of reorientation in your life.
5. Where You Live	Write about what you consider to be the one or two most important issues or challenges now facing your neighborhood or region. Now, take no more than fifteen minutes to roughly map your neighborhood or region, illustrating where or how these issues have the greatest impact. Include text on the map (labels and any other pertinent information).
6. Career Goals	Describe in some depth your goals, plans, and present thinking about landscape design.
7. Reflection	What was your experience in writing this application? Did it bring any new understanding or insight?
8. Utopia Wish (optional)	What would you like your personal and professional life to be like in the years after you graduate?

SECTION III Please read carefully and sign the following statement:

I recognize that the program requires a high degree of responsibility and affirm that I do not currently abuse drugs or alcohol. I understand that a Drugs & Alcohol Abuse Prevention Policy in compliance with federal regulations is in effect at the Conway School, but the School cannot provide treatment for substance abuse and may consider unlawful acts grounds for dismissal. If special circumstances exist regarding my health, legal affairs, and other factors affecting my ability to perform, I agree to provide the School with pertinent information in a written attachment or interview discussion.
