## **Complete This to Apply for the “RENT-A-HORSE FOR THE WEEK” Program**

The “Rent a Horse For the Week” program exists for campers who **have horsemanship experience**, but do not have access to a horse during the week of 4-H Horse Camp. In this program you will be assigned to a horse that you will ride in classes. You will be expected to perform all horse chores including feeding, watering, and cleaning out its stall. This program is not designed for the first time horse person, but rather the camper who has **experience** and would like to increase their knowledge in a more advanced setting. 4-H Horse Camp is not designed for beginners.

**This application does not automatically enroll you in the “Rent a Horse for the Week” program.** Based on your experience, which you will detail below, and an adult reference, your application will be reviewed. You will receive a phone call if your application has been denied. Should your application be denied it will be recommended that you attend the 4-H Camp Wyomoco Horsemanship program during Weeks # 2-6.
