John Hancock Investments

A trusted brand

John Hancock has helped individuals and institutions build and protect wealth since 1862. Today, we are one of America's strongest and most-recognized brands.

A better way to invest

As a manager of managers, we search the world to find proven portfolio teams with specialized expertise for every fund we offer, then apply vigorous investment oversight to ensure they continue to meet our uncompromising standards.

Results for investors

Our unique approach to asset management has led to a diverse set of investments deeply rooted in investor needs, along with strong risk-adjusted returns across asset classes.

Clients should carefully consider a fund's investment objectives, risks, charges, and expenses before investing. The prospectus contains this and other important information about the fund. To obtain a prospectus, call the John Hancock Investments Retail Sales Team at 800-225-6020 or the Institutional Sales Team at 866-582-2777, or visit our website at jhinvestments.com. Clients should read the prospectus carefully before investing or sending money.
