

IMPORTANT

This document is for information only. It is a copy of the Non-Academic Information Form that you are required to complete ONLINE to be considered for a place at Manchester Medical School in 2016. You may wish to use this document to help prepare your responses in advance of the online form becoming available between 14th September 2015 and 23:59 (GMT) on 31st October 2015.

Manchester Medical School: Non-Academic Information Form

Instructions

Some of the information that you provide on this form may be very similar to that which you have already written in your UCAS personal statement. You must still provide the information on this form as our decisions for shortlisting for interview will be based on what you have written on this form and not what is included in your personal statement. Please do not simply cut and paste sections from your personal statement.

1. Personal details

Please ensure that you enter these details accurately so that we can link this form to your UCAS application.

- Forename
- Surname
- Date of birth
- UCAS ID
- Email address

2. Experience in a caring role

Please provide details of one or two (not more than two) caring roles that you have undertaken, preferably within the last 3 years. Describe how you have helped or provided care for an individual, or individuals, on a regular basis. You may use an example from your work experience (paid or voluntary), charity or community work, life at home, school/college/university, or from extracurricular activities. If you use an example from your home life then it needs to demonstrate a level of commitment well above what would normally be expected from someone of your age. Do not include shadowing or observation of practice. We are looking for activity that demonstrates regular commitment to caring rather than one-off incidents.

Text box limited to 1100 characters (about 200 words).

3. Hobbies and interests

Please provide details of some of your main hobbies, interests and/or extracurricular activities. Tell us why you enjoy these activities. Also tell us how much time you devote to them and how they benefit you.

Text box limited to 1100 characters (about 200 words).

4. Team working

Please provide details of any situation outside of studying where you have functioned as part of a team. What was your role and how did you contribute to the team's performance?

Text box limited to 1100 characters (about 200 words).

5. Motivation for medicine

Please describe how your personal experiences have influenced your decision to pursue a career in medicine.

Text box limited to 1100 characters (about 200 words).
