

Mrs.Ghosh's 6th Grade Science Home Work Policy:

Thomas Edison Energy Smart Charter School

Dear parents,

Please read the HW policy carefully for Mrs.Ghosh's Science Class and return it to me ASAP.

- Homework will be assigned on the days when I see 6th grade class. I will see 6th grade students for 3 blocks in a week.
- If HW is not completed on the due date after the assignment is given, the students loose 10% of the value of the grade for each day they miss after the due date. If they do not turn it in by the end of the week, the students will be asked to serve Friday detention.
- Assignments later than 2 weeks will not be accepted and receive a 1/100 value point in the database.
- Rubrics will be provided for long term or short-term assignments and projects.
- Homework assignments and projects will be posted on the database; however it is the responsibility of the students to copy down their HW in their planner from the HW board.

I have read the 6th grade Science HW policy
