## **Postcard Puzzle Contest**

Wheelz is on vacation! He sent the folks at DSG a postcard, but it got all mixed up in the mail. We need your help to put it back together the right way. Cut out the squares below along the dotted lines, then use the second page of the contest form to put them together correctly. Ask an adult to help you tape or glue the pieces in place and mail us your completed game page. We'll send you a fun prize for your efforts.

> Mini Bonus Game! Check out the questions on the second page of the contest form and see how many you can answer!
