

# Career Connections 2007 Forum

Friday, November 9

5:30pm

\* \* Seminar \* \*

Mary Ann Vande Linde, DVM  
VMC, Inc.

“Oh No, Not Again”

Managing conflict within a health care team

Saturday, November 10

9am - 4pm

\* \* Interviews \* \*

Students and potential employers  
conduct initial interview early in the  
search process.

## What to expect...

We are introducing an interview format known as the 'Speed Interview' at the 2007 Career Connections. As part of this interview format, practitioners and candidates meet briefly (10 minutes) to form a first impression and to do some quick 'comparison shopping'. This format will allow for more students and employers to interact and allow students to explore job opportunities that they may not have under the traditional 60 minute first interview format. The Speed Interviews will be split into sections by type of practice (small, large, mixed) to ensure that practitioners and students are not wasting their time.

The event is expected to last two hours. This will be followed by time to conduct further in depth interviews with some of the candidates if desired.

Practitioners should know that not all students attending Career Connections will be looking for fulltime positions. Some will be looking for summer employment or externship opportunities which may potentially lead to a fulltime position after graduation. Others will be using the opportunity to explore their options and practice their interview skills.

**Be sure to visit our website  
[www.vet.cornell.edu/career](http://www.vet.cornell.edu/career)**

Participants in the Career Connections Forum will have the opportunity to attend the seminar on Friday, network with and interview veterinary students on Saturday. Participants will also receive a resume book of veterinary students interested in full time positions, summer and externship opportunities.

Participants in the Career Connections Forum pay a fee of \$75 which includes the position announcement, candidate lists, scheduled interviews, resume book and seminars, continental breakfast and lunch. Return your registration form by October 19 to be a participant this Fall.

A block of rooms have been reserved at the Best Western University Inn Ithaca. Make your room reservations through October 9. The Best Western is located at East Hill Plaza on Judd Falls Rd. Call 607-272-6100 and refer to the Career Forum at the Veterinary College for \$125/night.
