

2015-16 Mission Scholarship Fund

The Heartland Community College Foundation and Challenger Learning Center would like to help teachers offset the cost of participating in a simulated space mission. If you are interested in receiving mission funds via the Foundation, please fill out the application below. Please be aware of the following:

- Each individual teacher requesting funding must fill out a separate application.
- Priority will be given to underserved schools, not previously participated in a CLC program.
- Schools receiving mission funds are required to send a teacher to a Teacher Training Workshop and utilize CLC curriculum.
- Schools will provide transportation to bring students to CLC on scheduled dates.
- Failure to comply with all provisions of the grant award may result in forfeiture.

Teacher/Point of Contact Name: _____

School Name: _____

Address: _____

STREET

CITY

STATE

ZIP CODE

Phone: () _____ E-mail: _____

Grade/Subject _____ Number of Students: _____ Age Range of Students: _____
