

Update Bank Logo Authorization Letter

All fields must be completed before submitting request

New Bank Name:

The information entered into the Bank Name field is how the name will appear on the finished product

Address:

City:

State Zip Code: Country

This letter authorizes Safeguard Business Systems and its preferred vendors to use our logo on products produced for us and our customers. I understand the update I am requesting will affect all products currently using this logo.

The logo is assigned a unique ID number. The bank logo cannot be updated without the the bank ID number currently assigned to the logo, and the bank name used on the old logo.

The Bank Logo ID Number and old bank name will be supplied to you by your local Safeguard Distributor.
