

INSTRUCTIONS FOR FILLING OUT ACADEMIC PROGRESS REPORT FOR  
3<sup>rd</sup> YEAR STUDENTS AND BEYOND

In describing your academic progress, please be sure respond to all the issues below that apply to your status in the program:

--Note any course or language requirements completed this academic year. If you have not yet completed all your course or language requirements, please discuss how and when you intend to complete them.

--Note if you have passed your oral examination this academic year. If you have not yet passed your oral examination, please list your oral examination committee members, discuss the consultations you have had with them concerning your lists and your exam format, how often you have met with them, and the date, tentative or fixed, for the exam.

--Note if you have completed an approved dissertation proposal this academic year. If you have not yet completed an approved dissertation proposal, please note when you intend to do so. List your dissertation committee members, discuss any drafts you have written, note the consultations you have had with them concerning your proposal, and the date, fixed or tentative, for your dissertation colloquium.

--If you are in advanced residency (i.e., have an approved dissertation proposal), discuss the progress you have made on your dissertation. Please list your dissertation committee members, describe what you have written, what you have submitted to your committee, how much writing your committee has approved, and what your current plans are for completing the dissertation.

-- If you have been in advanced residency for five quarters or more including summer quarter you are expected to have a meeting with your dissertation committee to discuss your progress. Please note whether you have had such a meeting and, if not, what arrangements you have made for having such a meeting in the near future.

--Please also note any teaching positions or other jobs you have held this year.
