Product Description	Format	Qty	Price	Amount
<b>Teacher Training DVDs - We believe these DVDs will be a valuable asset to a school's resource library for years to come.</b>				
 <b>Movement and Music for Children Ages 3, 4, and 5</b> The first hour shows two sample classes incorporating movement, music appreciation, and singing, taught by Judy and Sanford Jones. In the second hour, Sanford demonstrates each step in the Montessori bell material, from the sensorial level through notation.	DVD		\$75	
 <b>Movement and Music for Children Ages 6-11</b> The first hour shows two sample classes with elementary age children in movement, music appreciation and singing. The second hour shows a sequence of exercises using the Montessori Transposer (tone bars), including composition.	DVD		\$75	
 <b>Energy Medicine with Alice Tobin</b> Energy medicine is based on the principle that the health of body, mind and spirit are anchored in the body's energy systems. This 2-hour DVD demonstrates how to do the "Daily Routine" to boost vitality, sharpen memory, strengthen the immune system and promote a general sense of well-being.	DVD		\$25	
 <b>At Home in Our Past: American History in the Montessori Classroom</b> This teacher instructional DVD provides a hands on approach to setting up the Montessori classroom, how to arrange going out experiences, and creative ways to teach American history! Available on a pre-order basis.	DVD		\$75	
 <b>At Home in Nature: Biology in the Montessori Classroom</b> This teacher instructional DVD provides a hands-on approach to setting up the Montessori classroom for the study of biology, the use of the Botany Cabinet, how to select pets and plants for the classroom, build a raised garden bed, set up the Time Line of Life (Elementary), conduct nature walks, recycle and compost.	DVD		\$75	
<b>Songbooks</b>				
<b>Children's Songs</b> original songs to enhance the young child's appreciation of life	Songbook		\$12	
<b>Folk Songs from Around the World</b> arrangements of familiar & unfamiliar songs for elementary age	Songbook		\$12	
<b>Green is Our Garden</b> 24 songs of nature, selections from Sanford Jones' children's operas	Songbook		\$25	
<b>Resources</b>				
 <b>A Musical Treasure Chest</b> 24 pieces of classical piano and harpsichord music for children by Master Composers compiled and performed by Sanford Jones and Joseph Francavilla. Includes Teacher Guidelines with composer bios, technical notes for teacher and student use and lesson plan guidelines. Pieces selected to offer the listener musical examples by major composers in the Renaissance, Baroque, Classical, Romantic, Impressionistic and Modern periods. Intermediate level of piano playing ability.	CD		\$20	
 <b>A Musical Treasure Chest</b> Contains 60 pages of sheet music, composer bios, and technical notes for teacher and student use and lesson plan guidelines. Pieces selected to offer the listener musical examples by major composers in the Renaissance, Baroque, Classical, Romantic, Impressionistic and Modern periods. Intermediate level of piano playing ability.	Sheet Music		\$25	
<b>Movement and Singing Games</b> A compilation of twenty traditional songs including Oats, Peas, Beans and Barley Grow, Rock-A-Bye Baby, The Muffin Man, and London Bridge. Each song has been recorded twice. First, the song is sung by the Elementary Students at Countryside Montessori School in Northbrook, Illinois, allowing the listener to learn the words and the melody. Then, the song is repeated with piano accompaniment only, allowing the listener to learn to sing the song and carry out the movements.	CD		\$20	

Resources	Format	Qty	Price	Amount
<b>Walking on the Line/Rhythmic Activities</b> 20 minutes of original, quiet piano music for walking on the line, followed by bands of music for marching, running, galloping, skipping and processing	CD		\$20	
	Sheet Music		\$12	
<b>Children's Songs/Folk Songs from Around the World</b> sung by elementary children at Mater Amoris Montessori School, Ashton, Maryland	CD		\$20	
<b>Introduction to Percussion Band Instruments</b> a collection of sixteen classical and traditional pieces. In order to use the percussion band instruments appropriately, the children need to understand the two basic rhythmic structures – <i>duple</i> and <i>triple</i> and the two dynamic levels of <i>piano</i> and <i>forte</i> . Includes Teacher Guidelines booklet. Can be used in conjunction with or without the conducting shapes.	CD		\$20	
<b>Conducting Shapes</b> Two shapes with the centers cut out – one rectangular for duple meter and one equilaterally triangular for triple meter. These help in determining the meter of songs the children are listening to and songs they are singing. Includes Teacher Guidelines. <b>Can be used in conjunction with Introduction to Percussion Band Instruments CD.</b>	Shapes		\$50	
<b>The songs from the three following CD's were sung by the Countryside Chorus, Countryside Montessori School, Northbrook, Illinois:</b>				
<b>Green is Our Garden</b> nature songs from Youth Opera International's repertoire, sung by children	CD		\$20	
<b>Art Songs for Children</b> original musical settings of poems of well-known poets, sung by children	CD		\$15	
<b>Songs of Celebration</b> songs celebrating themes of life, love and family, stewardship, and peace from children's operas composed by Sanford Jones.	CD		\$15	
<b>A Pocketful of Music: Classics Composed for Children 1730-2002</b> by concert pianist and educator Martha Braden. A re-issue (in expanded form) of the NAMTA "Music through History" recordings. Endorsed widely by music magazines and composers, these CD's bring the best of classical music to young children. For use with both primary and elementary ages. Extensive program notes on the pieces/composers.	4-CD set		\$70	
<b>Music Flash Card &amp; Charts</b>				
<b>Rhythm Flash Cards</b> Housed in a colorful folder, these 28 laminated rhythm flash cards (8 1/2" x 11") are designed to provide children ages five and older practice of basic rhythmic patterns - a fundamental aspect of music literacy. Teacher guidelines included.	Set of cards		\$75	
 <b>Melody Charts</b> One set of Melody Charts contains ten 11" x 17" laminated charts of familiar songs including <i>Farmer in the Dell</i> and <i>Twinkle, Twinkle, Little Star</i> to be used on the bells or the tone bars by the child who has worked with the notation material for the grand staff. Includes teacher's guidelines.	Set of cards		\$75	
<b>Elementary Classroom Materials</b>				
 <b>Chart of the Basic Human Needs and Tendencies</b> This Chart is a comprehensive guide to the Elementary children as they research the history of a culture. It is universal, in that all human beings of every time and place have the same <b>physical needs</b> – housing, clothing, food, defense and transport; the same <b>mental faculties</b> – exploration, classification, communication and measurement; and the same tendency to create a <b>spiritual territory</b> , meaning to manifest the various types of love - ego (self-worth), philia (brotherly and sisterly love, eros (artistic creation and playfulness) and agape (charity).	Chart & 25 blank templates		\$99	
	Additional packets of 25 blank templates		\$25	
<b>American History Time Line</b> Developed in collaboration with Mario Montessori; revised in 1995. Six panels depicting major events in US history, using the Chart of the Basic Human Needs and Tendencies as a guide. 2 feet wide x 33 feet long, black and white artwork to be colored, captions on cardstock, one paragraph for each of the 75+ images. Suggestions for its use in the elementary classroom included.	Time Line		\$100	
<b>Migration Charts</b> Contains preface and instructions, 9 migration charts (18" x 24") of nine drawings/diagrams to be colored by the teacher including The Hunt, The Movement of the Glacier, The Encroachment of the Desert onto Vegetated Areas, The Clearing of the Forest, Billiard Ball Migration, The Breaking Down of the Wall, Infiltration and Fusion, The Whirling Horde and Seaborne Migration. Cardstock captions for each of the nine charts (1/2 page of text per chart).	Charts		\$50	
<b>A Centenary Celebration of Dr. Maria Montessori</b> A 30-minute children's theatre piece for students to perform with music and lyrics by Sanford Jones and concept by Jim Cummesky, celebrates the legacy of Dr. Montessori and the anniversary of the opening of the first Casa dei Bambini in Rome, Italy.	Guidelines, staging directions, musical score and rehearsal CD		\$100	
<b>Other Materials</b>				
<b>Brain Gym- Simple Activities for Whole Brain Learning - Denison &amp; Denison</b> In wide use in school systems throughout the country, this booklet offers a variety of in-place exercises which promote whole brain learning. The activities make all types of learning easier, but they are especially effective with academic skills.	Booklet		\$13	
<b>Why Montessori for the Elementary Years?</b> Designed for schools to be used as a promotional tool for prospective and current parents, this 32-page booklet is a lecture by Sanford Jones which was originally presented to the American Montessori Society at the Annual Seminar in 1971. Expanded and updated in 2010, this booklet provides information on the multi-faceted rationale for enrolling a child in an authentic Montessori program at the Elementary Level.	Booklet		\$10
