
**INSTRUCTIONS FOR 2010 PIT-X NEW MEXICO
PERSONAL INCOME TAX AMENDED RETURN**

Who Must File.

If after you have filed your New Mexico personal income tax return you need to change the reported federal taxable income, or for changes to New Mexico taxable income, credits or rebates you must file an amended New Mexico personal income tax return. Describe the reason for amending your return in the space provided on page 2, Form PIT-X. If the New Mexico amended return shows changes as the result of filing an amended federal return, attach a copy of the federal amended forms and schedules. NOTE: The law requires an amended New Mexico return to be filed within 90 days of the date an adjustment to your federal return becomes final.

Which Forms to Use.

For a tax year beginning on or after January 1, 2010 but not after December 31, 2010, an amended return must be filed on Form **2010 PIT-X**. For tax years beginning on or after January 1, 2005 through December 31, 2007, use the Form PIT-X applicable to the tax year that you are amending. For example, if amending for tax year 2005, use Form 2005 PIT-X. If filing a fiscal

year return, use the form for the calendar year in which the fiscal period began.

For tax years beginning prior to January 1, 2005, file amended returns using the form for the appropriate tax year. For example, if you are amending the 2004 personal income tax return, use Form 2004 PIT-1, *New Mexico Personal Income Tax Return*, and mark the "amended" checkbox. For tax years beginning in 2001 and earlier, an amended return checkbox is not present on the form. To file an amended return for 2001 or earlier, write "Amended" at the top of the form.

For all tax years, you must include with your amended return all schedules applicable to the tax year as required by the instructions. There are no special amended schedules to use. Attach the same forms that would be filed with an original return. For the 2010 return, attach all required 2010 Schedules PIT-S, PIT-ADJ, PIT-RC, PIT-B, PIT-D, or PIT-CR. Submit the schedules if there is an amount in the "as amended" column, on Form 2010 PIT-X, even if the amount did not change from the schedule submitted with the previously filed

return. You do not need to file W-2 forms and similar information forms unless you are amending your New Mexico return to change the amount of tax withheld.
