Blood Pressure Monitor Request

June 15, 2011

The request for Blood Pressure Monitor is approved. In order to expedite the delivery of the blood pressure machine, IEHP has contracted with Waterman Pharmacy to deliver the machine to the Member. Please fax a prescription with Member and Physician info (or you may use the request form below) to Waterman Pharmacy. Alternatively, Physician may also use any of our contracted DME suppliers to obtain blood pressure monitor.

The approved Blood Pressure Monitor: Omron 711 DLX with Comfit cuff

Features:

- Simple, silent, 1-touch automatic operation
- 60 memory storage with date and time stamp
- Average mode according to AHA Guidelines
- ComFit Cuff Pre-Formed and expandable to fit regular and large arms (fits arms 9" to 17" in circumference)
- Extra large digital display

Please complete this form and fax it to: Waterman Pharmacy
Fax Number: 909-882-3580
