Common Questions

How much of my Trip Cost should I insure?

- Insure ALL pre-paid travel arrangements that have any cancellation penalties or restrictions.
- To be eligible for the Pre-Existing Medical Condition Exclusion Waiver and Cancel for Any Reason you must insure 100% of the pre-paid, nonrefundable travel arrangements you indicate on the Enrollment Form (air and expedition cost) and you must purchase the insurance within 21 days of your initial deposit/payment.

You cannot insure arrangements for which you have made no payment (e.g.: frequent-flyer miles, credit vouchers, discount coupons, or certificates).

What if my dates or trip plans change or there is an increase in Trip Cost?

Notify Travel Insurance Services in writing and include the additional plan cost in order to obtain the additional coverage. Failure to insure 100% of your nonrefundable trip costs could result in the loss of eligibility for certain benefits such as the Pre-Existing Medical Condition Exclusion Waiver and the Cancel for Any Reason option.

YOU'VE BOOKED YOUR TRIP.

Act Today to Insure It... and Yourself!

Plan for the unexpected.

No one expects to cancel a planned trip, but such events do occur and can be costly. Our Travel Plan benefits you by:

- Covering your travel investment against Trip Cancellation including missed connection for cruises
- Helping you cover travel medical expenses
- Adding trip planning flexibility with Cancel for Any Reason (CFAR) option
- Insuring your baggage for loss or delay
- Giving you access to 24-hour, multilingual, worldwide emergency assistance

Cover your travel investment.

Despite your best-laid plans, there are a number of factors that could prevent you from taking your trip. Some are personal: perhaps there's an unexpected illness or injury in your family. Others are out of your control: for instance, a terrorist incident could occur in a city listed on your itinerary. A trip cancellation or interruption can cause you to lose some or all of your investment.

The Travel Plan's Trip Cancellation benefit reimburses your covered trip cost when you cancel or interrupt a trip due to reasons covered by the plan.

Be ready for unexpected expenses.

If your flight is late or canceled due to a covered reason, the Travel Plan's Travel Delay benefit will reimburse you up to \$200 a day for meals and hotels if you are delayed for more than 12 hours.

24-Hour Access to On Call International

Your plan includes 24-hour, worldwide, collect-call access to On Call International for emergency travel and evacuation arrangements. For other non-insurance services see Coverage Highlights.

Avoid costly travel medical expenses.

Medical plans and HMOs may only provide you limited coverage outside the United States, and Medicare may offer no coverage, leaving travelers with unexpected bills if a medical emergency strikes.

The Travel Plan's \$50,000 excess Medical Expense benefit and \$250,000 Emergency Evacuation benefit covers you for emergency medical, emergency dental, and medical evacuation expenses incurred during your trip.

Insure your personal belongings against loss or delay.

Your baggage and personal possessions can be lost, stolen, or damaged anytime, anywhere in the world. Airlines may provide only limited coverage for your checked baggage and may not cover your carry-on items.

The Travel Plan's Baggage Loss/Delay benefits cover loss or damage to your personal effects and can reimburse your purchase of necessities if your baggage is misdirected or lost for more than 24 hours.

Upgrade with Cancel for Any Reason (CFAR)

Upgrade the Travel Plan with CFAR and know that you can cancel your trip for any reason. With CFAR, your pre-paid, nonrefundable trip payments are covered for up to 75% of your Total Trip Cost when you cancel your trip for any reason not otherwise covered under the Trip Cancellation benefit. See Coverage Highlights for more details.

See Common Questions section for important time-sensitive purchase provisions.
