#### **GENERAL INSTRUCTIONS TO THE EMPLOYER**

**Employers, not employees,** are responsible for completing this form. The information is needed to determine liability and entitlement to benefits. You must file this form with your insurer, and give a copy to the employee and the employee's local union office. You are required to provide the employee with a copy of the Employee Information Sheet, which is available on the Department of Labor and Industry's web site at <a href="https://www.dli.mn.gov">www.dli.mn.gov</a>

Filing this form is not an admission of liability. You must report a claim to your insurer whenever anyone believes that a work-related injury or illness that requires medical care or where lost time from work has occurred. If the claimed injury wholly or partially incapacitates the employee for more than **three** calendar days, the claim must be made on this form and reported to your insurer within ten days. Your insurer may require you to file it sooner. Failure to file within the ten days may result in penalties. It is important to file this form quickly to allow your insurer time to investigate the claim. Your insurer will report the injury to the Department of Labor and Industry (Department), when necessary. Self-insured employers have 14 days to report the injury to the Department, when necessary.

If the claim involves death or serious injury (including injuries that later result in death), you must notify the Department and your insurer within 48 hours of the occurrence. The claim can be reported initially to the Department by telephone (651-284-5041), fax (651-284-5731), or personal notice. The initial notice must be followed by the filing of this form with the Department within **seven** days of the occurrence.

#### SEND THIS FORM TO YOUR INSURER IMMEDIATELY - DO NOT WAIT FOR THE DOCTOR'S REPORT

## INSTRUCTIONS TO THE INSURER/CLAIMS ADMINISTRATOR (For first reports of injury filed on or after Jan 1, 2014)

Pursuant to Minnesota Statutes, section 176.231, and Minnesota Rules, part 5220.2530, insurers and self-insured employers must file with the Department's Workers' Compensation Division an electronic first report of injury, according to the requirements set out in sections 2 to 4 of the Minnesota implementation guide, in all cases where a first report of injury is required to be filed under Minnesota Statutes, chapter 176. The Minnesota implementation guide can be found on the Department's website at www.dli.mn.gov/WC/Edi.asp.

A first report of injury submitted by the insurer or self-insured employer in any other manner or format is not considered filed with the division, except for a written first report of injury on a paper form filed by a self-insured employer within seven days of death or serious injury.

If the claim does not involve lost time beyond the waiting period or potential permanent partial disability (PPD), or has not been requested to be filed by the Department, a first report of injury does **not** need to be filed.
