Federal Student Aid Programs

WHAT IS VERIFICATION?

Your application was selected by the U.S. Department of Education for review in a process called "Verification". The Office of Financial Aid is required to verify certain items that were listed on your FAFSA. If there are differences between your application information and the documents you submit, your application may need to be corrected. The Office of Financial Aid cannot make any federal financial aid payments available to you or process a student loan request until all verification requirements have been met and the necessary corrections have been made.

WHAT ARE THE STEPS?

- 1. Complete the IRS Data Retrieval Tool (DRT) through FAFSA on the Web at www.fafsa.gov. This will need to be done for a student tax filer, along with for each parent included in the household.
- 2. **If you cannot complete Step 1**, you may order a TAX RETURN TRANSCRIPT from the Internal Revenue Service online at www.irs.gov. Most people will have the option to either print out a copy of their Tax Return Transcript after setting up a User ID or to have a copy of the Tax Return Transcript mailed out to them.
- 3. Complete and gather the required signatures for this worksheet and return it, along with any other required documents to the Office of Financial Aid.
