THANK YOU LETTER

As a recipient of the _____ Scholarship, I would like to express my heartfelt thanks for your generosity in helping provide this award to many students, including me. It is an honor to be recognized for my hard work and receiving this scholarship motivates me to continue to strive for excellence. I am in the _____ year of my degree in _____ with a concentration in _____. This award has enabled me to concentrate on my studies without having to worry about my finances.

This term, I have been busy with both my classwork and my job as a teaching assistant to transfer and international students. On the weekends, I spend my time at a local community organization where, I enjoy creating gourmet cakes. I truly enjoy my experience here at Drexel since I am able to fulfill so many different facets of my education in such varied, real-world settings. We are given numerous opportunities to try our hand at different clubs and groups on campus. Such opportunities to obtain real-world experience is what I think makes Drexel such a good school and environment.

Your generosity has made a profound impact on my life, and I am truly very grateful to you. Thank you for making it easier for me and other students to stay in this environment of growth and opportunity. I will never forget the generosity extended to me and hope that one day I will be in a position to extend it to others.

Sincerely,

John Smith
