

Outstanding Loyola Undergraduate Research Award: Nomination Form

Loyola's Undergraduate Research Opportunities Program (LUROP) is pleased to solicit nominations for the Outstanding Loyola Undergraduate Research Award. This award has been established to honor current Loyola undergraduates who conduct exceptional research, articulate their research to others, and enhance Loyola's reputation as a quality research university by integrating research into their academic learning experience. The multiple winners receive a \$500 award to support their academic work. Nominees must be Loyola undergraduates who conducted research during the year since the last symposium. Awards will be presented at the Undergraduate Research & Engagement Symposium.

*Print this form, fill it out, write a one-page letter of nomination as described on the back of the form, then scan and e-mail everything to lurop@luc.edu by **March 1, 2015**.*

Student (Nominee) Name:

Student Email:

Mentor (Your) Name:

Mentor's Department or Center, and School:

Categorize your student's work (circle one): STEM/Social Sciences/Humanities/Professional School)

In what capacity did the nominee conduct research?: (Select all that apply)

E-Mail: lurop@luc.edu

Please write a brief letter (one page, single-spaced max) of nomination. Be sure to address the nature and frequency of your mentorship with the student, as well as their qualifications for an award designed “to honor Loyola undergraduates who conduct exceptional research, articulate their research to others, and enhance Loyola’s reputation as a quality research university by integrating research into their academic learning experience.” You may type the letter here or on a separate sheet. Return to lurop@luc.edu by March 1.
