TO BE COMPLETED BY THE RECOMMENDER

The above named person is applying for admission to our Graduate Program. The SJU Admissions Committee would appreciate your assessment of the applicant to assure they will be a qualified graduate student. Your recommendation is valued and helpful in the admissions process and, in many cases, becomes a deciding factor. Please return this document with your letter of recommendation. Thank you for your contribution.

The following questions are provided to assist you in developing the recommendation which should be typed on your letterhead:

How long have you known the candidate and what is your relationship?

What are the applicant's outstanding talents and strengths? Liabilities or weaknesses?

How well do you think the applicant has developed his or her plans for graduate study?

How well do you think the candidate may perform in graduate school where independent thought and action, excellent interpersonal communication, and a mature handling of responsibilities are required to meet course and graduate school objectives?
