Reporting Encouraged

How to Help

- Be someone who helps educate, inform and intervene so that Sewanee is a safe and welcoming community for all.
- Be aware of options for support and care on campus; contact the University Wellness Center at ext. 1270 or the Sexual Assault Crisis Team at [931-636-4887](tel:931-636-4887)
- Listen, believe and support someone who discloses victimization. Never blame the victim.
- Talk to friends honestly and openly about sexual assault.
- Trust your instincts, if something looks like a bad situation, it probably is.
- Be aware if someone is deliberately trying to intoxicate, isolate or corner someone.
- Get in the way or create a distraction by creating a distraction, drawing attention or separating them.
- Consider becoming a Peer Health Educator (SWAG: Sewanee Wellness Action Group), a Residential Life staff member, a FOG team member, and a good friend to someone in need.

We all share responsibility for this community, and we can all prevent harmful acts.
