

**Transfer Agreement**  
**UC Irvine Extension and the University of Wisconsin-Platteville**  
**Master of Science in Engineering**  
**Project Management Certificate**

Completion of the UC Irvine Extension Project Management certificate equates to 6 graduate credits in the UW-Platteville Master of Science in Engineering program, under the following stipulations:

- 1) The UC Irvine Extension Project Management certificate must be completed before student is admitted to the Master of Science in Engineering.
- 2) To gain admission to the Master of Science in Engineering, the student must meet the admission requirements of the UW-Platteville School of Graduate Studies which are in force at the time of application to the program.
- 3) A grade of "B" or better must be earned in all coursework from UC-Irvine Extension certificate to be eligible for transfer into the UW-Platteville MS in Engineering.
- 4) A UC Irvine Extension Project Management certificate is awarded upon completion of six required courses and two elective courses, each with a grade of "C" or better, for a minimum of 175 hours of instruction.

| Course #                | Course Name  | Units |
|-------------------------|--|-------|
| <b>Required Courses</b> |  |       |
| MGMT_X442.28            | Introduction to Project Management Principles and Practices          | 2.5   |
| MGMT_X474.9             | Management, Leadership and Team Building in the Project Environment  | 2.5   |
| MGMT_X478.7             | Project Procurement Management: Contracting, Subcontracting, Teaming | 2     |
| MGMT_X474.1             | Project Risk Management  | 2.5   |
| MGMT_X474.74            | Project Monitoring & Control with Earned Value                       | 2.5   |
| MGMT_X472.83            | Project Management Practicum and Project Simulation                  | 2.5   |
| <b>Elective Courses</b> |  |       |
| MGMT_X474.53            | Project Stakeholder Management                                       | 1.5   |
| MGMT_X442.23            | Managing Quality in the Project and Program Environment              | 1.5   |
| MGMT_X442.31            | Project Management Tool Box  | 2.5   |
| MGMT_X474.10            | Managing Business Process Improvement Projects                       | 2.5   |
| MGTM_X474.24            | Project Management Using MS Project 2010                             | 1.5   |
| MGMT_X474.27            | Advanced Project Management Techniques Using MS Project 2010         | 2.5   |
| MGMT_X478.6             | Management of Multiple Projects                                      | 2.5   |
| MGMT_X472.89            | Creating the Program Management Office                               | 2.5   |
| MGMT_X472.63            | Project Scheduling Concepts and Techniques                           | 2     |
| MGMT_X472.85            | Systems Engineering for Project Managers                             | 2.5   |
| MGMT_X442.29            | Project Cost Management  | 2.5   |
| MGMT_X474.48            | Advanced PMBOK® Guide Applications                                   | 2.5   |
| MGMT_X474.28            | Managing Project Stakeholder Risks                                   | 1.5   |

- 5) The following courses will be awarded for completion of the Project Management certificate:

| Course #     | UW-Platteville Course Name       | Semester Credits |
|--------------|----------------------------------|------------------|
| PROJMGT_7010 | Project Management Techniques I  | 3                |
| PROJMGT_7020 | Project Management Techniques II | 3                |

**Transfer Agreement  
UC Irvine Extension and the University of Wisconsin-Platteville  
Master of Science in Engineering  
Project Management Certificate**

- 6) Under this agreement, both parties may advertise this articulation agreement to their students, prospective students and alumni through print, online and interactive marketing materials such as fliers, websites and other advertisements, subject to the guidelines and restrictions further described in this section.
  - a. Each party shall provide the other with a high-resolution logo file and hereby grants the other license to use the name and/or logo for these limited purposes.
  - b. Use of UC Irvine Extension name: In all communications as described above, the entity name shall be “UC Irvine Extension” or “University of California, Irvine Extension”. It is not appropriate to use other variations of the University’s name, such as “University of California” or “UC Irvine”.
  - c. Prior written approval for any uses of the UC Irvine Extension name or logo beyond those explicitly stated above must be obtained from the UC Irvine Extension director of marketing or designee.
  - d. Prior written approval must be obtained by the issuing party in advance of issuance of press release(s) featuring the name and/or logo of the other party.
  
- 7) This agreement will be reviewed every three years from the date of last signature to determine whether it is achieving its purpose. Either party has the right to terminate this agreement upon 30 days notice; however any students in the program at the time of termination will be allowed to complete their MS degree program in Engineering at UW-Platteville.
