\*If two years of the same foreign language was not taken in high school, four credits at college level will be required for graduation.

\*\*Choose 13 credits of electives from approved list (see reverse side of chart). See Department for advisement.

**NOTE:** This degree requirement sheet is designed with your major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.
