

Instructions for Selecting Ethnicity Codes

The University of Hawai'i must report to several federal agencies summary data on the gender and ethnic background of its applicants. Therefore, it is required that each person applying for admission to the University indicate his or her gender and ethnic background on the application form. This information does not affect determination of admission. Select the one category which best represents your ethnic background and enter its alpha code in the appropriate box.

Code	Race Category	Code	Race Category	Code	Race Category
	Native Hawaiian or Pacific Islander:	CA	Caucasian or White	FI	Filipino
