

August 2010

(For the 2011-2012 Academic Year)

Dear Prospective Student,

Thank you for considering Covenant College. We look forward to meeting you in person when you come for your audition and want your trip to be a positive experience.

Students who wish to pursue a degree in music must audition for admission to the program. An audition also gives us an opportunity to evaluate each student for a music scholarship or ensemble grant. Music scholarships are awarded to music majors and minors based on musical skills and financial need. These range from \$500 to \$5,000 for exceptional talent. Ensemble Grants are awarded for participation in a specific ensemble regardless of major and range from \$500 to \$2500. Music awards are highly competitive.

Covenant offers two degrees in music: the Bachelor of Arts (BA) in music, and the Bachelor of Music (BMUS) in Applied Music as well as a minor. Within the Bachelor of Arts degree, a student may choose to study general music or choose a specific concentration such as church music (voice or keyboard), music history/literature, piano pedagogy, or theory/composition. The BA degree is often combined with other majors or a minor to afford an even broader education.

The Bachelor of Music Degree is a pre-professional degree which concentrates on the study of a specific instrument. The Bachelor of Music Degree and the Bachelor of Arts degree prepare students for an array of careers and ministries after graduation. We encourage you to schedule an appointment to discuss the opportunities possible with a degree in music.

Ensembles are open to any student regardless of major; auditions are usually scheduled for early fall. These provide unique opportunities for collaborative musical expression and include over 200 student participants. Our ensembles for 2010-2011 include:

Vocal Ensembles: Covenant Chorale and Madrigal Singers and Chamber Singers.

Instrumental Ensembles: Chamber Orchestra, Covenant Jazz Ensemble, Flute Choir, and select chamber ensembles (piano trios, string quartets, duos, jazz combos).

School clubs, under faculty supervision and student leadership, form contemporary bands, gospel choirs, musical theater teams and worship groups. Students are encouraged to participate in one or more of these dynamic, student-led groups.

How to Schedule an Audition: Auditions are scheduled on Friday afternoons (4:00-5:00 PM) by appointment only. Four documents must be submitted no later than two (2) weeks prior to your scheduled audition so that we can prepare for your visit. These may be sent to us by e-mail, fax or postal mail. Vocalists requiring an accompanist must send clear copies of their music no later than two (2) weeks prior to your audition.

1. Completed Application for Admission to the music program
2. Completed Request for Audition
3. Letters of Recommendation (2 required)
4. Biography

AUDITION GUIDELINES

Auditions are a presentation of musical selections that you have thoroughly prepared for performance, preferably with your teacher. We do not specifically define the level of difficulty required for audition. Remember that an impressive audition is one in which you are prepared and comfortable with the music chosen. If you would like advice on your selections, please e-mail Dr. Jeanell Brown, Department Chair, at jeanell.brown@covenant.edu.

If you live a great distance away and cannot make a personal visit, a video recording may be substituted for a live audition. Singers who need an accompanist should send copies of music at least two (2) weeks in advance. Early auditions are encouraged because of the competitive nature of awards.

The forms included in this package (Application, Request to Audition, Letters of Recommendation, Biography) should be submitted directly to the music department as soon as possible but no later than two (2) weeks before the scheduled audition.

Here are recommendations for a successful audition:

2. Scales may be requested during the audition.
3. Sight-reading may be requested during the audition.

Vocal Requirements

1. Three contrasting songs: art songs, sacred/church music, Broadway musicals, contemporary and should be chosen to showcase your musicianship and your vocal technique. Selections should be memorized.
2. Recorded accompaniment may be used with advance permission.
3. Vocal exercises may be requested during the audition.
4. Sight-reading may be requested during the audition.
