

**HOLY FAMILY UNIVERSITY**  
**Unit Lesson Plan Template**

**Student Name:**

**Grade Level:**

**Unit Title:**

**Time Requirement:**

**Describe the Student Population:**

**Stage 1: Desired Results**

RE: Applicable State or Local Standards

RE: Enduring Understandings

RE: Attitude, Values, Disposition

RE: Skills (Academic, Technological, Interpersonal)

**Stage 2: Assessment Evidence**

Performance Tasks (Authentic Demonstrations of Understanding)

Traditional Assessments (Quizzes, Tests, Written Products, etc.)

**Stage 3: Learning Plan**

Learning Activities (5 - 10 Lessons)

For each learning activity, include a lesson title, time estimation, lesson objective(s), two to three paragraph description of the activity, and a detailed list of instructional resources for each lesson. Include one complete lesson plan with related attachments (e.g., graphic organizer, rubric, checklist, worksheet, project directions, etc.).

List Activities below.

<b>Stage 4: References</b>
Cite the sources for the ideas in this unit using APA style formatting.  List references below.
<b>Stage 5: Personal Reflection</b>
Write a personal reflection on the strengths and weaknesses of the unit and professional lessons learned.
<i>If your placement is not conducive to the development of a unit lesson plan, you may negotiate an alternative assignment with your University supervisor. The alternative assignment must address the development of student(s) intellectual, emotional and/or social skills over a minimum two-week period.</i>
