Dear (student's name)

Salzburg, date, month, year

We have received your application and look forward to welcoming you at Salzburg College for (fall/spring/summer) semester of year.

\*1971\*

What a great decision to spend a semester in Salzburg and explore the world of Central Europe! No doubt, your interests will find plenty of academic as well as 'real life' inspiration.

You will need both this acceptance letter as well as the enclosed Certificate of Enrollment when you apply for a student visa at the Austrian Embassy or Consulate. We strongly advise you to make copies of both documents for your own files.

If you have questions about courses and other academic issues, please write to Prof. Konrad Holleis at hol-

leis@salzburgcollege.edu and practical questions (flight information, health issues, a.o.) please contact me directly at mayer@salzbburgcollege.edu

All students that have taken German prior to their arrival will need to take a placement test which we will be emailing to you soon.

If you are enrolled in a Music Performance class, please write to Prof. Holleis in advance concerning your music background, what music literature you have studied and what you would like to work on here in Salzburg instructor. Also, please bring the music you expect to use. If the instructor wants you to work on something different he/she will help you obtain the scores in Salzburg. You need to bring your own instrument (except pianos of course).

Concerning travel arrangements. Any travel agent will be able to help you with booking your transatlantic flight. We recommend you to contact STA Travel for student rate flight options. You will need to be at the meeting point in the Munich Airport no later than 10:00 am on (day, month, date)

Very soon we will be emailing you our STUDENT HANDBOOK which we have compiled with the assistance of our students. It will hopefully answer most of your questions. The end of November you will receive a pre-departure bulletin with arrival information, a schedule of the Bavaria field trip, and other details. "Upon arrival in Salzburg, you will receive another booklet, THE WELCOME GUIDE, which deals with day-to-day questions that will come up during your stay.

Good luck with your preparations. Please let us know if we can provide further information or if we should send you e-mail addresses of former students whom you could contact. We look forward to having you with us in the fall. It should be a great term for!

Cordially *Phoebe Mayer* Phoebe Mayer Director

#### International Emergency Insurance

The Grant Center's policy is to secure Medical Emergency Insurance with Gallagher Charitable International Insurance Services .

Students, Faculty & Staff who travel outside the US borders while representing OBU, (study abroad, singing tours, band appearances etc.) are required to obtain insurance through Gallaher Charitable International Insurance Services.

This service will be purchased by The Grant Center for International Education and charged to applicable (student) accounts. Cost is from time leave US to time return to US at \$2.00 a day.

Gallagher Global Insurance has no financial partnership with Ouachita Baptist University nor any staff member of the Grant Center for International Education.

International Health Insurance

**Austria** requires a Health Insurance that will provide \$50,000 in Medical Coverage. Your student's health insurance provider <u>must</u> specify in their letter this fact. Sentences such as *"This is not a prior approval of payment. Any benefits are subject to the payment of premiums for the date on which services are rendered. A description of benefits is not an acknowledgement that premiums have been paid. All claims are subject to medical necessity and other contract limitations and provisions."* will not satisfy the Austrian government of coverage. If student does not have the required Medical Coverage required, the visa <u>will not</u> be approved.

IMG is a company that sells this kind of insurance for overseas temporary students.

Purchase health insurance from *International Medical Group*. http://www.imglobal.com "The Patriot Exchange Program" provides this type of health insurance. (see enclosed application)

The IMG has no financial partnership with Ouachita Baptist University nor any staff member of the Grant Center for International Education.
