

School: _____

Date of Session: _____

**Ropes and Living History Assistants Sign-Up Sheet:
PLEASE COMPLETE BEFORE ARRIVAL!!!!**

Please use this sheet to make sure you have enough chaperones to fill all (ropes & living history) positions.

Ropes:

Chaperone assistance is needed to assure the safety of our ropes course classes. Training will be provided for all assistants prior to each rope course. We need five volunteers to run the rope course Polaris. (S) is the stair case monitor. This position is located ³/₄ the way up the stairs and keeps the students organized into two lines. (N) is the cargo Net spotter, who will stand at the base of the cargo net and actively spot one climber at a time up the net. (D) is the dismount position, who will wait near the end of the zip line to assist the students off. (C) is the coach, who will walk around underneath the course to spread JOY and encouraging thoughts. The coach should also monitor and supervise all students on the ground. Unfortunately, we cannot promise additional adults the opportunity to go up on the course.

<p>9:00</p>	<p>Ropes classes will have two trailgroups per class. If you have less than 7 trailgroups check with your coordinator about what day your ropes classes are on.</p>	<p align="center">DAY 2(2)</p> <p>S _____ N _____ D _____ D _____ C _____</p>	<p align="center">DAY 3(4)</p> <p>S _____ N _____ D _____ D _____ C _____</p>

Living History:

Survival on the Underground Railroad (SURR) or Trail of Tears (TOT)

Five or six pairs of teachers or chaperones are needed to serve as conductors or clan leaders and their assistants. They help direct student groups through the re-enactments. Training will be provided at 1:30pm, the same day of the performance. During SURR one volunteer is needed to portray the *sheriff*, who will interact with the Quaker character. **Please note that large group (more than 100 students) will need 6 pairs for SURR.**
