

Knowledge that will change your world

Kinesiology:
Exercise Science Minor

Student's Name: ID #: Date:

Transfer: 1st Term: Advisor:

Table with 3 columns: Course Name, Grade Earned, Hours. Includes sections for Required Courses (15-18 hours) and Electives (Choose 1-4 hours), totaling 19 hours.

*See PE program policy for 0 credit hour HE 140 waiver criteria:

http://www.uab.edu/education/humanstudies/images/physicaleducation/HE_140_substitution_Policy2.pdf. Students who meet the HE 140 waiver requirements need to take an additional 3 hour Elective to reach the minimum 19 hour requirement in order to receive the minor.

** Online section of HE 222 cannot be used to fulfill this requirement

A grade of 'C' or better is required in all courses in the minor. Students cannot apply courses toward both major and minor course requirements. Students may need to take additional electives to reach the 19 hour requirement in order to receive the minor (e.g. students who fulfill the HE 140 0 credit hour waiver).

The BY 115, BY 116 and HE 140 requirements are waived for only students majoring in Biomedical Sciences, who have completed BMD 310 (4 hrs), BMD 315 (4 hrs) and CDS 425 (1 hr), respectively. As BMD 310, BMD 315 and CDS 425 cannot be used to satisfy both the Biomedical Sciences major and the Exercise Science minor, students must replace these 9 hours with PE 307 and 6 hours of courses from the Electives list (see above).
