

Music Department Practice Room Cards

Every Warner Pacific College student is issued a Student Security ID Card, which serves as an identification card, a meal card, library card and admission to campus events. It now replaces your key to gain entry to certain buildings on campus. If you choose to sign the contract and register your card, you will gain entry to the five music practice rooms in McGuire (if an applied music piano student, the piano studio as well). If you are a Music Theory or Class Piano student, you will gain access to the keyboard lab as well.

Because it is also a security card, there are some guidelines you must follow in order to maintain a safe and secure campus.

- ✓ Do not bend or punch holes in Security ID Card.
- ✓ Do not loan your card to anyone – student or otherwise. Do not allow other students to enter rooms by your card. Your card is for entry for you. If found doing so, you can face the loss of certain area's access privileges.
- ✓ Your card is for practicing music. Do not use your card for other activities.
- ✓ If your card is lost or stolen, contact Security (503-250-1730) immediately.
- ✓ **A Replacement card will be \$15.00.** It will be available after 1:00 pm, Monday through Friday in the Student Development Office.
