

## **The Little Clinic Voucher for HumanaVitality**

**Member to Provide:****Humana Insurance or HumanaVitality Group ID:** \_\_\_\_\_**Member ID:** \_\_\_\_\_

Body Mass Index (Height & Weight)	Pulse
Cholesterol Screening *	Blood Pressure
Waist Circumference	Glucose Screening *
Individual Patient Results	One-on-One Counseling with The Little Clinic Health Provider

**\* For the Cholesterol and Glucose Screenings, fasting 9-12 hours prior to your screening is encouraged. To the extent your health permits, no food should be consumed during this time but we strongly encourage you to drink plenty of water.**

This promotion is for members who are currently enrolled with HumanaVitality. Services listed above must be completed as a whole and cannot be offered as separate services (Example- just a blood pressure check).

To find the nearest The Little Clinic, please visit [www.thelittleclinic.com](http://www.thelittleclinic.com).

1. When visiting The Little Clinic, please bring this **The Little Clinic Voucher** along with your **Humana Insurance card or a HumanaVitality membership card**, and **Photo Identification** (example – Driver's License). Please note: If a Humana Medical ID card or a HumanaVitality membership card is not presented at time of service, the screening cannot be completed. If you are in need of a Humana Medical ID card or a HumanaVitality membership card prior to your visit, contact Humana at 1-800-4HUMANA (1-800-448-6262).
2. You will register as a patient. When prompted as to the reason for your visit, click "Screening." When you are seen by the healthcare provider, present your voucher and state that you are with HumanaVitality. You will **NOT** be required to pay for the noted services if you are a HumanaVitality eligible participant.
3. Present this voucher to The Little Clinic Provider at the beginning of your visit so that we can ensure the appropriate services are performed. The Little Clinic Provider will collect this Voucher from you.

The Little Clinic provides quality healthcare on your schedule because they are open 7 days a week with no appointment necessary. Each clinic is staffed by Board Certified Nurse Practitioners and Physician Assistants who treat common illnesses and minor injuries and can prescribe medication if necessary. The Little Clinic also provides preventive care; like risk assessments, health screenings and vaccinations. The Little Clinic accepts most health insurance plans and networks and are located inside select Kroger, King Soopers and Fry's Stores.

---
