EXECUTIVE SUMMARY

EXECUTIVE SUMMARY

This report, prepared pursuant to Equal Employment Commission Management Directive 715, presents an assessment of the progress made toward establishing a model EEO program by the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA), and the independent entity within it, the Pretrial Services Agency for the District of Columbia (PSA) in Fiscal Year 2014. CSOSA's Annual EEO Program Status Report highlights our efforts to identify and eliminate barriers to the equitable treatment of all employees within the Agency, and reaffirms our commitment to ensure equal employment opportunity and promote workforce diversity.

CSOSA was established by Congress to consolidate parole, probation, supervised release and pretrial functions for the District of Columbia under a single federal executive branch agency. CSOSA provides community supervision to adult offenders on probation, parole and supervised release in the District of Columbia. PSA provides release recommendations to the Court and pretrial supervision of defendants released into the community. Throughout this report, CSOSA and PSA will be referred to collectively as the "Agency."

CSOSA's mission is to increase public safety, prevent crime, reduce recidivism, and support the fair administration of justice in close collaboration with the community. PSA's mission is to promote pretrial justice and community safety by assisting judicial officers in making appropriate release decisions, and by providing supervision and pro-social interventions to defendants released into the community.

The Agency will continue to demonstrate a full commitment to EEO principles in all of its activities. We are confident that by continuing the incremental progress outlined in this report, we will reach our goal of operating a model EEO program as envisioned by EEOC.

WORKFORCE ANALYSIS

WORKFORCE ANALYSIS SUMMARY

The Agency's total workforce, including permanent and temporary employees, decreased from 1218 at the end of FY 13 to 1180 in FY 14. Much of the Agency losses in FY 14 were due to not being able to recruit nor hire for one of its major components, which is Community Supervision Services, and not being able to recruit in relation to the total separations, i.e. resignations, retirements, transfers, deaths, and buy-outs through VERA/VISP. During FY 2014, we also had a soft hiring freeze in place. As in FY 13, women continued to comprise the majority of the Agency's workforce (64.4% or 760 employees). Correspondingly, males comprised 35.6% (420) of the Agency's total workforce. (Workforce Data Table A1)

Similarly, black employees continue to constitute the major racial group of the Agency's workforce. In FY 14, this group experienced an almost 1% decrease in its overall number of employees going from (976) of 1218 in FY 13 to (937) of 1180 in FY 14. There was a slight cumulative increase of non-black minorities--Hispanic, Asian, Native Hawaiian, American Indian/Alaska Native, and individuals of two or more races. This increase went from 7.72% (94 of 1218) in FY 13 to 7.80% (92 of 1180) in FY 14. (Workforce Data Table A1)

While the combined total of non-black minorities grew this past fiscal year, individual ethnic groups, experienced a decrease in their participation rate. Hispanics' participation rate, for instance, went from 4.03% (49) in FY 13 to 3.90% (46) in FY 14. On the other hand, there was a slight numerical increase in the participation rate of Asians 2.06% (25) in FY 13 to 2.29% (27) in FY 14. The participation rate of American Indian/Alaska Native essentially remained the same going from 0.50% (6) in FY 13 to 0.51% (6) in FY 14. Similarly, employees who are of two or more races remained relatively the same from 1.0% (12) in FY 13 to 0.94% (11) in FY 14. There was no change at the end of the reporting period of Native Hawaiian or Other Pacific Islander who remained at 2 or 0.16% of our workforce. (Workforce Data Table A1)

MAJOR OCCUPATIONS

With respect to the race/ethnicity and gender distribution of employees across major occupational groups, 56.0% (656) of the Agency's workforce is in the Social Science series (0101), and of those 66.2% (434) are female. Black employees constitute 81% (530) of the employees in this series, white employees are 10.8% (71), Hispanic employees are 5.64% (37), Asian employees are 1.22% (8), Native Hawaiian or Other Pacific Islander are 0.15% (1), American Indian/Alaskan Natives 0.30% (2), and two or more races 1.1% (7). (Workforce Data Table A6)

The next largest mission critical occupation is that of Miscellaneous Clerk and Assistant series 0303. Of the 95 employees in this series, 94.7% (90) are female and 5.26% (5) are male. In terms of race and national origin, 5.26% (5) are white, 93.7% (89) are black, and 1.1% (1) is of two or more races. There are no Hispanics, White males, Asians, or American Indian/Alaska Native employees in this occupational category. (**Workforce Data Table A6**)

The next largest mission critical occupation is that of Social Science Aid and Technician series 0102, and of the 71 employees in this series, 52.11% (37) are male and 47.9% (34) are female. In terms of race and national origin, 4.23% (3) are Hispanic, 8.45% (6) are white, 84.5% (60) are black, 1.41% (1) is Asian, and 1.41% (1) is American Indian/ Alaska Native in this occupational category. (Workforce Data Table A6)

The next largest mission critical occupation is that of Information Technology series 2210, and of the 64 employees in this series, 62.5% (40) are male and 37.5% (24) are females. In terms of race and national origin, 1.6% (1) is Hispanic, 26.6% (17) are white, 50.0% (32) are black, 18.8% (12) are Asian, 1.6% (1) is American Indian or Alaska Native, and 1.6% (1) is of two or more races in this occupational category. (**Workforce Data Table A6**)

INTERNAL COMPETITIVE PROMOTIONS FOR THE MAJOR OCCUPATIONS

Internal competitive promotions remained the same between FY 13 and FY 14. There were five internal competitive promotions in FY 14; two in the occupational category of Social Science (0101), and three in other non-major occupational categories of 0260, Equal Employment Opportunity, and 0343, Management Program Analysis. Both employees promoted in FY 14 in the Social Science category of 0101, were male, one Hispanic and one was white. In the other non-major occupational category internal competitive promotions, one was a black male, a black female, and an Asian male. (Workforce Data Table A9)

INTERNAL SELECTIONS FOR SENIOR LEVEL POSITIONS (GS 13/14/15 AND SES)

In FY 14, there was a white male selected for a SES position. At the senior grades of 13 through 15, there were two selections made. One of the selectees was a white male and the other was a black female. (Workforce Data Table A11)

SEPARATIONS

In FY 14, there was a sharp increase in the number of separations 75 in comparison to 60 in FY 13. Fifty-one (68.0%) of the 75 separating employees in FY 14 were female, 24 (32.0%) were male, 4 (5.34%) were Hispanic, 11 (14.7%) were white, 58 (77.3%) were black, 1 (1.33%) was Asian, and 1(1.33%) was two or more races. Voluntary separations accounted for 100% of all separations in FY 13 and 99% (74) of all separations in FY 14. We attribute this increase in the separation rate in part to the fact that CSOSA offered buy-outs to eligible employees via VERA and VSIP, which accounted for nine of the separations. (Workforce Data Table A14)

Also, in FY 14, of the 75 employees who separated from the Agency, five or 6.67% had disabilities. (Workforce Data Table B14)

PERSONS WITH TARGETED DISABILITIES

In FY 14, there was no statistical change in the number of persons with targeted disabilities (PWTD) employed by the Agency. As previously stated in our Strategic Plan for Increasing Employment of People with Disabilities we established a goal of a 100% increase in the number of PWTD in our workforce by the end of FY 16. The five current PWTD represents a 0.42% participation rate in our Agency's permanent workforce. Given that CSOSA and PSA are criminal justice agencies; our goal is to increase the participation rate of PWTD in our workforce to 1% by the end of year 2016.

It is further noted that 78 or 6.66% of our permanent workforce has self-identified as having a disability. When the participation rate of both PWTD and employees with other disabilities is considered, 7.11% of our Agency's workforce has a disability. (Workforce Data Table B1)

The grade distribution for persons with disabilities (PWD) across the general pay schedules is consistent with that of the Agency's general workforce. The majority of PWDs are clustered at the GS- 12 and above grade levels. (Workforce Data Table B4-2)

Of the 78 permanent employees with disabilities in FY 14, 46 (60%) held positions at the GS-12 and above grade level, 32 (41.0%) at grades GS-11 and below. (Workforce Data Table B1 and B4-2).

APPLICANT FLOW

For a number of years now, CSOSA has continued to contract with the AVUE Technologies Corporation for its automated employment platform. Identification of race, gender and ethnicity is voluntary, and typically 94% of the job applicants self-identify. The quality of the applicant flow data that CSOSA has been receiving through AVUE is reliable. CSOSA has used this data to target its recruitment efforts to underrepresented groups in CSOSA's workforce, and to evaluate the effectiveness of this targeted recruitment effort.

In FY 14, there were 19 new hires in the Agency's workforce, four of whom did not self-identify their RNO status. Of the 15 new hires who identified themselves in the AVUE system, 1 or 6.7% was Hispanic, 4 or 26.6% were white, 7 or 46.7% were black, 1 or 6.7% was Asian, and 2 or 13.3% were of two or more races. (Workforce Data Table A8)

Unlike the national civilian labor force (NCLF), white employees are identified as a minority in the Agency's workforce, and have been targeted as an underrepresented group for recruitment purposes. The participation rate of white employees in the Agency's workforce increased from 12.2% (148) in FY 13 to 12.8% (151) in FY 14.

TRIGGERS AND BARRIERS

In FY 14, the Agency continued to have a lower participation rate of Hispanics (3.90%) in the total workforce as compared to their availability in the 2010 CLF of (9.96%). (Workforce Data Table A1)

In FY 14, the Agency continued to have a lower participation rate of white employees in the Major Occupation of Social Science (10.82%) as compared to their representation in the CLF (82.46%). Similarly, the representation of white employees in the Major Occupation of Social Science Aide (8.45%) was well below their representation in the 2010 CLF of (72.4%). (Workforce Data Tables A1 and A6)

In FY 14, the Agency continued to have a lower participation rate of Asians (2.29%) in the total workforce as compared to their participation in the 2010 CLF of (3.9%). (Workforce Data Table A1)

With respect to the senior grade levels, namely grades GS-13 to SES, in FY 14, the Agency had a low participation rate of Hispanics and black females in these grade levels as compared to their participation rate in the Agency's permanent workforce. Specifically, we note that of the 308 employees at these grade levels, only 7 or 2.27% are Hispanic and only 127 or 41.23% are black females. (Workforce Data Tables A1 and A4-1)

In FY 14, the Agency had a low participation rate of white employees (151 or 12.8%) in the total workforce as compared to their availability in the CLF of (72.4%). In terms of attrition, a higher percentage of whites, 14.7% separated from the Agency in FY 2014, then their participation rate in the workforce as a whole of 12.8%. (Workforce Data Tables A1 and A4-1)

The Agency also had a lower than expected participation rate of Persons with Targeted Disabilities (0.42%), in its total workforce as compared to the federal aspirational goal of (2.0%) for this protected group.

EEO COMPLAINT TRENDS

In FY 2014, the Agency continued its efforts to promote the use of Alternative Dispute Resolution (ADR) to resolve complaints at the earliest stage possible. During FY 2014, twelve (12) informal EEO complainants' were offered mediation, and six (6) of the twelve accepted mediation. Of the six (6) informal complaints that underwent mediation, two (2) were resolved through the ADR process and four (4) were not.

In FY 2014, the Agency continued to review EEO complaint data to identify potential barriers to the timely processing of EEO complaints, the completion of investigations, and the reduction of the average numbers of days to issue Final Agency Decisions. There was significant improvement in the average number of days in issuing our Report of Investigations from 209 days in FY 13 to 166 in FY 14. Furthermore, the average number of days to issue a Final Agency Decision decreased from 53 days in FY 2013 to 39 days in FY 2014. While, the average number days to issue a Final Order in response to Administrative Judge's Decision increased slightly from 33 days in FY 2013 to 38 days it

was still below the prescribed time period for taking such actions as established by the governing EEOC Regulations. In effect, complaints at the investigatory and at the final action stage were processed in a timely manner in FY 2014.

The Agency continues to focus on improving the quality and timeliness of complaint processing. The EEO Office will continue to use Micro Pact's iComplaint and other internal ticklers to increase the timely completion of EEO investigations.

In FY 2014, the Agency instituted a mandatory agency-wide ADR refresher training for employees, managers and supervisors. During the fiscal year 103 employees and managers were trained and a broader representation of employees will be trained in the current year. The ADR training courses assisted the Agency in enhancing its marketing strategies to promote greater awareness of ADR, and drive a more accurate understanding of ADR services and value across agency stakeholder groups.

SUMMARY OF AGENCY SELF-ASSESSMENT CHECKLIST

Essential Element A – Demonstrated commitment from Agency leadership

Strengths:

During FY 14, CSOSA like many federal agencies maintained the fiscal restraints imposed in the previous fiscal year, resulting in the Agency's ability to fill only the most critical positions and provide employee training and development opportunities. Nevertheless, the Agency has remained in a strong position to achieve its human capital management objective. CSOSA will continue to build on its previous successes, implement new initiatives such as the release of the Leadership Competency Assessment Tool that will help CSOSA build a leadership pipeline, and aid the Agency in better concentrating resources on appropriate employment training and development activities. This assessment process will ensure that employees have the competencies, tools, and work environment they need to meet the Agency's mission.

In FY 14, the annual EEO and Diversity Policy Statement was issued with a joint memorandum from the Agency Heads of both CSOSA and PSA reaffirming their personal commitment to promote diversity and inclusiveness, and to ensure equal employment opportunity for every employee and applicant for employment. These actions are part of our continued effort to build a model EEO program.

Deficiency:

As reported in FY 13's annual MD-715 report, the Reasonable Accommodation Policy (RAP) and Anti-Harassment Policy Statement are still in the vetting process due to the departure of Agency's General Counsel. However it should be noted that the revised RAP includes the recommendations from the Equal Employment Opportunity Commission to revise these components of the RAP: (1) Initiating the Reasonable Accommodation Process; (2) Processing Request for Reasonable Accommodations; (3) Medical Information; (4) Information Tracking; (5) Informal Dispute Resolution and (6) EEO Complaints.

In Part H, the Agency will establish a plan of action to ensure that its reasonable accommodation procedures are consistent with EEOC guidance. In the interim, we currently supplement the RAP issued in 2001 with the governing EEOC regulations as codified in 29 CFR Part 1630 when handling reasonable accommodation matters. Regarding the development of a Section 508 policy and implementation plan, the Agency in FY 13, posted a Section 508 Accessibility Statement on its internet-intranet and established a Section 508 electronic mail box. However, the Agency's 508 policy statement and implementation plan is still in the draft stage.

Essential Element B – Integration of EEO into the Agency's Strategic Mission

Strengths:

In FY 14, as a result of an Agency reorganization, the EEO Director reports directly to the Agency Head.

Additionally, in September of 2014, the EEO Director conducted the annual "State of the Agency EEO Briefing" to the Directors of CSOSA and PSA, as well as to the Agency's Diversity Council. That presentation included an assessment of the Agency's performance in each of the six elements of a Model EEO Program. Also, in FY 14, the Agency established a Veterans affinity group.

Deficiency:

EEO Officials are not present during Agency deliberations prior to decisions regarding vacancy projections, succession planning, and other workforce changes.

Essential Element C – Management and Program Accountability

Strengths:

The Director of EEO, CSOSA's Director of Human Resources, and PSA's Director of Human Capital Management continue to meet monthly to discuss and assess personnel programs, policies, and procedures that may present systemic barriers to the full participation of all groups in the workplace.

Deficiency:

EEO officials have not yet implemented a targeted recruitment strategy, coordinated with the Office of Human Resources.

Essential Element D – Proactive prevention of unlawful discrimination

Strengths:

The Agency has been prompt in its Compliance of EEOC's orders. CSOSA continues to take disciplinary action against its employees who are found to have engaged in discriminatory actions. The Agency continues to have a very active and vibrant ADR

program and all employees who engage in protected EEO activity are given the option of resolving their disputes through the dispute resolution process. During FY 14, 50% of those individual who initiated EEO complaints, chose ADR to resolve their disputes. Moreover, the Agency continues to require that all employees take mandatory EEO training which covers subjects such as the prevention of sexual harassment, and disability awareness training within 90 days of reporting onboard. Additionally, all employees are required to retake this training biennially. During FY 14, the Agency trained the remainder of its 243 employees, managers, and supervisors in diversity and inclusion.

Deficiency: There are no identified deficiencies under this element.

Essential Element E – Efficiency

Strengths:

In FY 2014, the Agency continued its efforts to promote the use of Alternative Dispute Resolution (ADR) to resolve complaints at the earliest stage possible. Twelve (12) informal complainants were offered mediation, and six (6) of the twelve (12) accepted. Of the six (6) informal complaints that underwent mediation, two (2) were resolved through the ADR process and four (4) were not.

The Agency continues to focus on improving the quality and timeliness of complaint processing. The EEO Office will continue to use Micro Pact's I Complaint and other internal trackers to maintain its current practice of timely completing investigations and issuance of Final Agency decisions.

Deficiency:

Responsible Management Officials involved in the dispute process do not always have Settlement Authority.

Essential Element F - Responsiveness and legal compliance

Strengths:

EEO personnel are held accountable for the timely completion of actions required to comply with EEOC orders. The Agency has also been prompt in complying with the EEOC's compliance orders in those few cases that were remanded to the Agency for further processing. Moreover, we note that the Agency was timely in the submission of its oversight reports such as the FEORP, DVAAP, and the 462 report.

Deficiency: There are no identified deficiencies under this element.

ACCOMPLISHMENTS

CSOSA PROMISING PRACTICES

In our agency's Diversity and Inclusion Strategic Plan, one of the benchmarks identified under *Workforce Diversity* is to better utilize details, cross-training, leadership development, and non-monetary rewards throughout the Agency. In FY 14, CSOSA's Office of Human Resources (OHR) rolled out the new Leadership Competency Assessment tool that is being used to help the Agency build a leadership pipeline, and aid the Agency in better concentrating resources on appropriate employee training, and development activities. The assessment results will benefit staff by assisting employees in determining what skills they should concentrate on if they would like to move into an upper-level leadership position within the Federal government. OHR is also working with each program office to develop specific steps to empower employees in the performance of their work. Hopefully, these results will allow staff in several offices to have more direct input into how their work environment can be enhanced.

In FY 2014, a Veterans affinity group was established. This Veterans initiative was spearheaded by Agency employees who are in the Army Reserves or the D.C. National Guards and who served tours of duty in Iraq and Afghanistan. Upon returning to the Agency, these citizen soldiers felt a need to share their experiences reintegrating into the workforce, and into civilian life, with each other as well as with the Agency's supervisory chain. They also felt the need to acknowledge the service they rendered to our country and the resources available to those who need them. Consequently, for the past two years, they have sponsored educational workshops for all Veterans, irrespective of whether they participated in the Iraq and Afghanistan Campaigns and they have also held special observances during the Veterans Day period.

CSOSA has been responsive to the Employee Viewpoint Survey (EVS) results and has developed robust response planning initiatives. As part of the Diversity Council, PSA's Human Capital Officer who is a member of the *Workforce Diversity (Recruitment and Retention)* subcommittee worked on developing and implementing an action plan to increase the positive response rate on Federal Employee Viewpoint Survey (FEVS). All CSOSA executives were also charged with developing and implementing EVS Response plans. Additionally, PSA's Office of Strategic Development (OSD) conducted focus groups designed to further explore FEVS responses with staff.

Under our goal of *Sustainability* in FY 14, the Sustainability Committee was tasked with exploring the feasibility of establishing an agency-wide rotational assignment module. As a result, the Agency is in the developmental stages of establishing not only a rotational assignment module, but also mentoring and shadowing programs. The latter two draft policies are being vetted through the various program offices for release in FY 2015.

Additionally, in FY 2014, the Directors of CSOSA and PSA developed and released a combined memorandum on EEO and Diversity reaffirming their personal commitment to promoting diversity and inclusion within CSOSA and PSA, and ensuring true equal employment opportunities for every employee and applicant for employment.

In FY 2014, OHR continued to recruit using CSOSA-wide vacancy announcements, reassignments and non-competitive appointments. Also in FY 2014, OHR continued to provide informal mentoring/coaching and Individual Development Plans (IDP) training which is offered through CSOSA's Training and Career Development Center. Additionally, listed below are groups CSOSA has maintained contact with for the purpose of recruiting and filling core positions within the Agency. This list in part, reflects the recruitment efforts that were pursued during FY 14.

In FY 14, OHR in collaboration with EEO participated in the following job fairs:

- Eleanor Holmes Norton Job Fair, Washington, DC
- Quantico Marine Base Job Fair for Veterans

Additionally, to assist with the anticipated hiring for the agency, the Agency continued its long standing partnerships and offering of non-paid internships with the following academic institutions:

- > American University, Washington D.C.
- ➤ Howard University, Washington D.C.
- Virginia Commonwealth University, Richmond VA
- George Mason University, Fairfax, VA
- ➤ George Washington University, Washington DC
- ➤ Gallaudet College, Washington DC
- University of Maryland, College Park MD
- Catholic University, Washington, D.C.
- ➤ George Washington, Washington, D.C.
- > Towson, University, Towson, MD
- ➤ Bowie State University, MD
- ➤ The Chicago School of Professional Psychology, DC

In FY 14, OHR continued its partnership with the Virginia Department of Rehabilitative Services (VDRS) in which all CSOSA vacancy announcements are forwarded to the Business Development Manager. Our HR Specialists work with the manager to find job matches for individuals seeking employment through the VDRS. Additionally, in FY 14, OHR continued to disseminate vacancy announcements via email to local colleges and universities. In FY15, the EEO Office, in collaboration with the Office of Human Resources will develop and implement an expanded strategy to recruit employees in the targeted groups.

STRATEGIC ACTIVITIES OR ACTIONS RELATED TO HISPANIC EMPLOYMENT

In FY 2014, the Hispanic Employment Program Committee (HEPC) developed a survey which was used to assess the needs and barriers of Hispanic employees who are currently employed with CSOSA and PSA. The survey was conducted by the Hispanic Employment Program Manager (HEPM) and submitted to the Diversity and Inclusion Council for consideration. Many of the survey questions were similar to the FEVS, and the results showed the commonality and differences with other groups in the Agency.

In FY 2014, the HEPC released a new edition of the Newsletter titled "La Diversidad" which highlights and celebrates the Hispanic workforce within the Agency, but also celebrates the Latino experience in America. The articles are thought-provoking and informative about the issues impacting the Latino community and the Agency's Hispanic workforce.

In FY 2014, CSOSA's and PSA's Offices of Financial Management allocated funds for the Foreign Language Award, for those Hispanic employees who use their bilingual language skills in the performance of their duties. With the issuance of this year's award, morale among Hispanic employees within the workforce has improved.

In FY 2014, the Agency extended its Memorandum of Understanding (MOU) with the Columbia Heights Educational Campus (CHEC) to include development of internship opportunities. Additionally, in FY 2014, funding was approved to host two Hispanic Association of Colleges and Universities (HACU) interns.

In FY 2014, many Hispanic and non-Hispanic employees attended the LULAC Federal Training Institute held in Washington, DC to obtain mentoring, networking opportunities, and career progression information in preparation for applying for higher grade level positions at the GS-13 through senior executive service.

In FY 2014, the HEPC continued its outreach efforts with organizations such as the Mayor's Office of Latino Affairs (OLA), League of United Latin American Citizens (LULAC), the National Council of Hispanic Employment Program Managers (NCHEPM), and other federal agencies to identify the best practices for recruitment and outreach of Hispanics.

In FY 2014, PSA continues to expand its outreach efforts to groups that are underrepresented in the workforce, with particular focus on Hispanic recruitment. PSA continues to research and build relationships with organizations with a high constituency of Hispanics and organizations with the ability to connect Hispanic job seekers with the organization through efforts of CSOSA's special emphasis groups.

STRATEGIC ACTIVITIES OR ACTIONS RELATED TO THE EMPLOYMENT OF PEOPLE WITH DISABILITIES

COURT SERVICES AND OFFENDER SUPERVISION AGENCY

In FY 2014, CSOSA continued its ongoing partnership with the Department of Rehabilitative Services (DRS) to assist individuals with disabilities in securing gainful employment commensurate with their abilities and capabilities.

In FY 2014, CSOSA continued to work with the Wounded Warrior Regiment - Career Resource Management Center at Quantico and the DC Department on Disability Services, Rehabilitation Services to hire disabled individuals and provide those individuals with work experience.

In FY 2014, CSOSA continued to provide employees with disabilities with a multitude of trainings and developmental opportunities. This allowed individuals to gain skills and

competencies needed for successful performance of their jobs, and to further enhance their career opportunities.

PRETRIAL SERVICES AGENCY

In support of the CSOSA/PSA Diversity and Inclusion Strategic Plan goal to "provide training for recruiting and hiring officials and staffing personnel about working with persons with disabilities, reasonable accommodation, and accessibility issues," PSA's executive management required that disability awareness training be made mandatory for all PSA supervisors and Office of Human Capital Management (OHCM) employees. In addition, training on providing reasonable accommodation for employees with disabilities has been made mandatory for all PSA supervisors. Moreover, employees are now required to take this training. Through this training, PSA intends to increase awareness of how persons with disabilities can contribute to its mission-critical efforts and improve Schedule A hiring efforts.

PSA's continued support of diversity and prohibition of discrimination is illustrated in the percentage of positive responses by PSA employees to the following two questions on the 2014 Federal Employee Viewpoint Survey:

- Seventy percent (70%) of PSA's employees provided positive responses to the question "Policies and programs promote diversity in the workplace (for example, recruiting minorities and women, training in awareness of diversity issues, mentoring)" as compared to 56% of the government-wide sample.
- Seventy-four percent (74%) of PSA employees provided positive responses to the question "Prohibited Personnel Practices (for example, illegally discriminating for or against any employee/applicant, obstructing a person's right to compete for employment, knowingly violating veterans' preference requirements) are not tolerated" as compared to 65% of the government-wide sample.

The agency has conducted an annual self-assessment of Section 717 and Section 501 programs against the essential elements as prescribed by EEO MD-715. If an essential element was not fully compliant with the standards of EEO MD-715, a further evaluation was conducted and, as appropriate, EEO Plans for Attaining the Essential Elements of a Model EEO Program, are included with this Federal Agency Annual EEO Program Status Report.

The agency has also analyzed its work force profiles and conducted barrier analyses aimed at detecting whether any management or personnel policy, procedure or practice is operating to disadvantage any group based on race, national origin, gender or disability. EEO Plans to Eliminate Identified Barriers, as appropriate, are included with this Federal Agency Annual EEO Program Status Report.

I certify that proper documentation of this assessment is in place and is being maintained for EEOC review upon request.

Planned Activities 1 through 6 have not been completed; however, progress has been made with several objectives.

In FY 2014, the Agency's Diversity and Inclusion Council approved a motion to establish the Asian Pacific American (APA) special emphasis program (SEP). Soon thereafter, the Program Manager, Deputy Program Manager and committee members were appointed by the EEO Office Director. For the inaugural year of the committee's formation, the primary focus has been the development and implementation of the Committee Charter, planning and delivery of the Asian Pacific American Heritage Month Celebration, development of Committee's Action Plan to support the objectives listed in the FY 2013 and FY 2014 MD-715 Report.

In order to better understand the Agency's objectives and needs, the committee hosted a "Meet and Greet" event with the agency employees. The event was conducted to introduce the newly formed committee to the Agency Leadership and employees and to receive feedback of the role of APAC in promoting diversity and inclusion within the Agency and possible strategies on how the APAC can support CSOSA OHR and PSA OHCM with recruiting, retaining and promoting Asian Pacific Americans.

In FY 2014, the APAC committee members, with support of the CSOSA and PSA's OHR began working on establishing contact with local 2-year and 4-year higher learning institutions and military/veterans organizations to work towards establishing strategic partnerships to increase the APA representation within the Agency. In addition, a protocol was established with HR to distribute all position announcements to various military and community organizations serving APA. New target dates for completion are reflected in planned activities 1through 6.
