

Pre-Trial Supervision Program

Overview

Description: The Pretrial Supervision Program is designed to monitor people charged with misdemeanors and some felonies while they await trial or adjudication. The use of the program can ensure court appearances, reduce risk of flight, and reduce incarceration rates. Referrals can be made from the Pre-trial Supervision program staff to community based resources for other services.

Started: 1994

Capacity: 130

Goals: The program goal is to reduce the need for incarceration and increase court appearances.
