

### **Client Self Administration Assessment Form (NDP 5)**

This form documents the assessment of a consumer's ability to self administer medications by a MAS RN/LPN. This form should be completed within seventy-two hours of admission, annually and any time the consumer has a change in status. Until the self administration assessment form is completed, the consumer shall not be allowed to self medicate and should be assisted with medication administration by a MAC Worker who is supervised by a MAS RN/LPN.

This form must be included in the consumer's medical record. The agency's policies and procedures must state where in the medical record the form will be filed. The assessment must be available for review by ADMH Certification Surveyors and/or other authorized personnel upon request.
