## Student Senate CPR Reimbursement Instructions and Form

Every student in good standing is eligible for a reimbursement of up to \$60 upon successful completion of a CPR course.

### Regulations/Rules:

- Must successfully complete CPR certification
- Course must be completed during the academic year
- If the course costs less than \$60, students will only be reimbursed for what they paid for the course

### Required Documentation: Along with this form you must also submit;

- Proof of successful completion (Copy of the Certificate)
- Proof of payment – Receipt must include companies first name, address, and telephone number
