### 300 INTRODUCTION

As a recipient of federal financial assistance, the Nevada Division of Health Care Financing and Policy (DHCFP) serves as a Civil Rights oversight agency on behalf of the U.S. Department of Health and Human Services, Office for Civil Rights (OCR) and the Centers for Medicare and Medicaid Services (CMS). In this capacity, DHCFP assures that certain entities designated by OCR and CMS shall comply with specified Civil Rights laws and regulations.

- 301.1 Title VI of the Civil Rights Act of 1964, which mandates that no person in the United States shall, on the grounds of race, color, national origin, sex or religion, be denied the benefits of, or be subjected to, discrimination under any program or activity receiving federal financial assistance.
- 301.2 Section 504 of the Rehabilitation Act of 1973, which mandates that no otherwise qualified disabled individual in the United States shall, solely by reason of disability (including AIDS and related conditions) be excluded from participation in, be denied the benefits of, or be subjected to, discrimination under any program or activity receiving federal financial assistance.
- 301.3 The Age Discrimination Act of 1975, which mandates that no person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to, discrimination under any program or activity receiving federal financial assistance.

304 PROCEDURAL RESPONSIBILITIES

- 304.1 DHCFP shall require the administrator of each entity listed in Section 302 (above) to complete an appropriate Civil Rights Self-Evaluation Compliance and Certification form and, if applicable, an Advance Directives Self-Evaluation Compliance and Certification form.
- 304.2 The appropriate compliance/certification forms shall be sent via certified mail along with a cover letter explaining DHCFP's oversight responsibility and identifying the applicable laws and regulations. The cover letter shall include the entity's name and address, list any pertinent details specific to the activity, and be signed by the Recipient Civil Rights Officer.
- 304.3 Administrators shall be required to complete, sign and return the appropriate checklist/certification form within 30 days of receipt.
- 304.4 Any deficiencies identified on the checklist/certification form must be corrected and documentation of same submitted to DHCFP within 30 additional days, or by the date agreed to by the entity and DHCFP.
- 304.5 Certification shall be valid for three years, unless the entity changes ownership. If a facility or agency changes ownership, a new checklist/certification form must be completed as soon as possible to ensure that compliance with Civil Rights laws and/or Advance Directives regulations is not compromised in the transition.
- 304.6 When a new entity that meets the monitoring criteria begins conducting business in Nevada (or an existing entity begins receiving Medicare or Medicaid funds), a letter and checklist/certification form shall be mailed as soon as possible.
- 304.7 Entities that do not respond to DHCFP's initial request within 30 days shall first be reminded by telephone. If there is still no response within the revised time frame designated by DHCFP, staff shall conduct an on-site audit using DHCFP's Civil Rights Survey form and/or Advance Directives Survey form, as applicable.
- 304.8 DHCFP shall train staff that visit targeted facilities or agencies to be cognizant of Civil Rights and Advance Directives standards as they conduct unrelated investigations or meet with clients. Staff shall be provided with a condensed, observation-oriented checklist (the Compliance Checklist for Civil Rights and Advance Directives) for use in the field.
- 304.9 DHCFP shall coordinate with other agencies within the Nevada Department of Human Resources (DHR) to ensure that compliance with Civil Rights laws and Advance Directives regulations becomes a routine part of regularly scheduled surveys and assessments. These agencies include, but are not limited to, the Bureau of Licensure and Certification, the Division of Mental Health and Developmental Services and the Division for Aging Services. Staff shall
