

Tour du Rouge

Houston to New Orleans

**American
Red Cross**

May 3-8, 2015

The American Red Cross is hosting the seventh annual Tour du Rouge. It is a 6-day cycling tour from Houston to New Orleans. Tour du Rouge will benefit the American Red Cross and disaster relief efforts for communities along the Gulf Coast. This cycling tour will be a physical challenge as well as an endeavor in humanitarian efforts.

American Red Cross provides emergency assistance when people are forced from their homes by fires, floods or other disasters. Military families stay connected through Red Cross Emergency Communication. Red Cross CPR and First Aid courses teach people to save a life, while Red Cross swim lessons help protect our children's lives.

The vast majority of these services are provided by our trained and dedicated volunteers, the heart of the American Red Cross. The Red Cross is neighbors helping neighbors. By supporting this worthy cause you will be helping your neighbors by making life better in communities that are susceptible to disasters.
